Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to

continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director and Brotherhood Director.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Traingin Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer,

serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public

institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

4. Inform member churches of their record of giving.

EXECUTIVE COMMITTEE REPORT

During the past associational year the executive committee of the Liberty Baptist Association met as prescribed by the constitution to review the work of the association, hear reports of the organizational work and transact business on behalf of the association. The moderator of the Liberty Baptist Association, Rev. Jack Byrd, presided over the sessions. Each meeting opened with devotions and prayer. Some of the highlights of these meetings are stated in a condensed form as follows:

November 16, 1970

Various reports were given. It was announced that the Oak Hurst Baptist Mission requests admission to the Liberty Baptist Association. This is to be presented to the annual associational meeting. Rev. Harold Helms was elected pastor of the church. It was stated that $206.45 was in the fund for special equipment needed for the office of the Superintendent of Missions. Of interest to those present was the report by the missionary, Leonard Rollins, concerning the fact that he had as of that date shared the experience of his trip to the World Alliance and around the world 19 times with 4 more scheduled to be presented.

January 18, 1971

The churches were encouraged to support the Currytown Church in their endeavors to build a church. It was stated that they had to release the present building they were using and there was no other suitable building available. Thus

they proposed to seek assistance in building a new church.

It was voted that the missionary be authorized to purchase an office chair for the missionaries office.

April 19, 1971

No official business was transacted. However, two vital announcements were made. It was announced that the proposed World Missions Conference were made. It was announced that the proposed World Missions Conference would be conducted in 1972. It was reported that Rev. Melvin Greene would be the director of the World Missions Conference.

A week end crussade conducted by the youth of the association was announced.

September 13, 1971

Various reports were given. Significant among the reports were the announcement that the Currytown Church was now constructed and would be used the following Sunday. The pastor, on behalf of the Church, expressed appreciation for all the interest and support during the period of construction.

REPORT OF THE ASSOCIATIONAL MUSIC COMMITTEE

1971 Session

In most of the worship services of our local churches, music is at least one-half of the service. Why shouldn't we then, train our church members to be better church musicians? We can do so through the Graded Choir Program. Our churches should be striving towards having some type of graded choir program in every church. Music literature can be bought and ordered from the Sunday School Board of the Southern Baptist Convention and can be ordered on the Standard literature form. Training and help can be received from Mr. Charles Gatwood, associate secretary of the Music Department of the North Carolina Convention in Raleigh. If enough interest is shown in our own association, music training sessions can be planned for music leadership in the local church. However, the associational Music Director should know about the need.

In 1970, the associational letter showed some 1900 enrolled in the music ministry in our association. This is a decrease of 40 persons from 1969. In 1970 six new choirs were formed in churches in our association. There should have been at least one new choir organized in each of our 43 churches. The associational music director and the Music Committee would be most willing to help in any situation.

The choirs that have already been organized should consider very seriously the participation in the state music festival programs. The "First Timers" Festival is held each September in various parts of the state. Then the Regional Festival is held in February of each year. This year it will be at First Baptist in Lexington. Information about these festivals can be obtained from the Associational Director of State Music Secretary in Raleigh. "Sing unto the Lord a New Song".

Respectively submitted,
Gerald R. Carter
Associational Music Director

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association met on October 18, 1970, with a group from the Oakhurst Baptist Mission. This congregation

had requested in writing on September 20, 1970, membership in the Liberty Baptist Association. In the meeting on October 18, Harold Helms, pastor of the Oakhurst Mission, gave a personal testimony and a report of the Mission from its beginning up to the present time. Dothan Reece made a motion that the Associational Missions Committee authorize the Oakhurst Baptist Mission to proceed immediately with the organization into a church. This motion was carried. The organizational meeting was held on Sunday afternoon. November 15, at 3:00 p.m. There were 73 charter members, and "Oakhurst Baptist Church" became the official name for the new church. This church is to be accepted in this session into our fellowship under a watchcare relationship for a period of one year.

The Associational Missions Committee met with the Currytown Baptist Church on Sunday, January 31, 1971, at 3:30 p.m. Rev. Richard Smith, Secretary of the Church Building Planning Department in Raleigh, met with the group. The main purpose of this meeting was to discover additional ways of helping the Currytown Church in their desperate need for a new building. A committee of five composed of Lamar Moore, chairman, Morris Hollifield, Leon Keefe, John Pace, and Gerald Johnson, was authorized to supervise the construction and financing of the new building. Groundbreaking services were held on Sunday, May 16, 1971. We rejoice in reporting that the Currytown congregation entered their lovely new building on September 19. This was made possible by "labor beyond the call of duty" on the part of Lamar Moore and his committee, the dedication of the Currytown congregation and their pastor, Rev. Tommie Honbaier, and the financial contributions by the churches in our association. This is one more evidence of how we can do things together.

Carl Hemphill, Chairman

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were referral patients—that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care—now the highly specialized care for the more difficult cases—for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with cautious optimism". The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide

Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same reason we support every other phase of our denomination's World Mission Program. This is missions too. The report from the Hospital reveals that only three churches in our Association failed to send a Mother's Day Offering this year. Gifts from other churches will be well beyond the amount given last year for this special offering. Each pastor and Budget Committee is urged to plan well for Mother's Day Offering and be sure to send it in either to the Baptist Hospital or to the Baptist Convention Treasurer in Raleigh.

Robert C. Foster

WOMAN'S MISSIONARY UNION REPORT

This has been a year of adjusting to change in Women's Missionary Union—as it has been in all our church organizations—with new names, new age groupings, new literature, and new achievement guides. Now, we are Baptist Women, Baptist Young Women, Acteens, Girls In Action, and Mission Friends.

Believing that well-trained leaders are better qualified for their tasks, the year began with all associational officers attending an Associational Officers' Workshop at Camp Munto Vista.

Throughout the year our Associational WMU Council met once a quarter in the Board Room at Davidson Community College.

The Baptist Young Women had a coffee-house type program on December 5 at Denton, First. They had planned other activities, but due to little interest and cooperation, they were unable to carry them out.

Our Acteens got off to a good associational year with a Mother-Daughter Banquet on Saturday, November 14 at Lexington, First. This program featured a Teenage Fashion Show in which a number of the girls participated. Other programs were held during the year concluding in June with a Lock-In at Reeds. A very find program was planned and carried out, but again a lack of interest, cooperation, and attendance was very discouraging, although a lot of fun and fellowship was enjoyed by those present.

Several from our association attended our State WMU Annual Meeting in Fayetteville March 16-18. We were pleased that three churches from our association—Jersey, Lexington, First, and Thomasville, First—received the recognition as having Distinguished WMU's in 1969-70. A distinguished WMU is one which completes eighteen or more merit achievements plus nine advanced achievements on the WMU Achievement Guide and has 50 per cent or more WMU age-level organizations achieving some recognition on organization achievement guide. Also, recognized at the State Meeting were five churches from our association—Center Hill, High Rock, Jersey, Lexington, First, and Summerville—that reached their goal of $1.00 per WMU member given to Heck-Jones Offering on Operation Payoff. It was also an honor to our Association to have Mrs. Gilmer Cross from Lexington to be elected our State WMU President.

Our Annual Associational Meeting was held at Greenwood Baptist Church on April 8 with Rev. George E. Shore of Winston-Salem speaking concerning mission action and Rev. Charles Wiggs, Missionary to Pusan, Korea, as our mission speaker of the evening. Again, we were discouraged by very poor attendance and interest.

We were fortunate to have a State Mission Action Workshop at First Baptist, Lexington, and several from our Association were in attendance.

Two State Baptist Women Retreats were held at Camp Mundo Vista. We heard very enthusiastic reports from those who attended.

It was called to our attention that leadership help was needed at Mills Home with some of the GA and Acteen Groups. This would be an excellent mission action activity for nearby WMU groups, and we hope they are responding to this need. Also, we became aware of a need for WMU groups to sponsor GA or Acteen girls from Mills Home for GA or Acteen Camp. We hope more WMU groups will give scholarships this coming year.

We became aware that our Associational Missionary's Home is in need of new draperies. Our WMU Council voted to undertake this as an associational WMU project. This will cost approximately $390. Enough money was received to do the living room draperies, and these have been made. We still have a need of about $200 to complete this project which we hope to finish as soon as possible.

Our new officers attended our State WMU Workshop at Camp Mundo Vista and our Leadership Training in the form of a Readiness Rally was held September 9 at the Erlanger Church with more than 120 in attendance and a good number of our churches being represented.

Plans have been formulated for the coming year. An Associational Baptist Women's Day of Prayer will be held November 1 at Coggins Memorial Church, Lexington, and an Associational Baptist Women's Prayer Retreat on December 2 at Thomasville, First.

Our State WMU Annual Session will be held at the Convention Center in Winston-Salem, March 14-16.

We trust that everything we have tried to do in WMU work in Liberty Association this year has been done in the name of Christ to promote His Kingdom in our association and around the world.

Respectfully submitted,
Mrs. Dale Martin, Associational WMU Director

BROTHERHOOD REPORT

The Brotherhood Organization involves men and boys in Missions, it is a part of the church program. Many men and boys hunger today for opportunities to express their Christian faith in new and daring ways. They are searching for genuine Christian adventure.

These self-giving opportunities abound for Christian men and boys with the courage and trust to explore areas of need and the courage to become personally involved in efforts to meet those needs.

Such opportunities are community-wide, nation-wide, or world-wide. Seeing these opportunities depends upon the depth of concern and commitment of Southern Baptist men and boys.

The Brotherhood is a study-action effort that motivates men and boys to

witness and minister at home and abroad in ways never dreamed of before.

Brotherhood is sharing Christ with people.

During the past year the following projects were promoted:

1. On Oct. 12 our workshop was held at Coggins Memorial with several churches taking part.
2. The R.A. Banquet was held at Reeds on Nov. 7.
3. Jan. 24 was Baptist Mens Day and was observed in most of our churches.
4. The Baptist Mens Convention and R.A. Congress, also the Track Meet was held in Winston-Salem.
5. On July 16-17 the R.A.'s had their Camp-out at Happy Lake, Salisbury.
6. On Aug. 28 a Brotherhood Rally Meeting was held at Rich Fork with Bro. Edwin Bullock as main speaker.

We still have several churches in our Association who do not have a brotherhood. If there is any way that I or any of the brotherhood officers can help, please call upon us. We pray that God will continue to bless us in our efforts for him.

Respectfully submitted,
Jimmie Edwards

REPORT OF ASSOCIATIONAL MISSIONARY

The Association occupies a strategic position in Baptist life. It is the denominational organization closest to the churches, and it is thus able to know more intimately the needs and possibilities of each church. At its best, the Association will help the churches win the lost to Christ and lead the saved to acknowledge the Lordship of Christ in daily living. The task of Associational Missions is to help every church live where it is. Let it be emphasized again and again that there can be no progress in the association apart from the progress and growth of its individual churches.

As I approach the end of nine years of service as Associational Missionary, I will share with you again what I do and am available to do.

I CARE

The apostle Paul in II Corinthians 11:28 includes among the burdens that he is carrying "that which cometh upon me daily, the care of all the churches." This is the burden of the associational missionary—the care of all the churches! It is a little difficult to fit this into a statistical report. I care for the welfare of the pastors and the churches. I am concerned when there is heartache. I am glad when there is victory. Sometimes the main thing that a church or pastor needs is for someone to care. The burdens that some pastors carry are enough to kill an ordinary man. Fortunately, most pastors are not ordinary men.

I AM AVAILABLE

I am available to each church to supply the pulpit, teach study courses and mission studies, assist in dedication and ordination services, preach revivals, lead Mission Vacation Bible Schools, and anything else that I am capable of doing. But I can do these things only by invitation or permission from the church.

During the calendar year of 1971 I have been in thirty-seven of our churches for at least one service, and I hope to visit the other six before the end of December. There has been no attempt to record the total number of times that I have spoken concerning the trip-around-the-world, but I am sure that it is more than eighty.

I TRY TO BE INFORMED

I seek information concerning the direction that our denomination will take, new methods in church work, present conditions of the churches in the association, and also attempt to kill any false rumor related to churches, to pastors, and to the denomination. I seek to be an able student of the Bible and to prepare messages that will be a blessing. I try never to embarrass a pastor by doing a poor job in the pulpit.

I WORK

I visit churches, help committees in the association, help plan associational programs, put out a monthly newsletter, counsel with pulpit committees, work at encouraging others, look for untouched mission needs, attend all the meetings in the association that I can, and do many other things in my work as the needs arise. During the months of June, July, and August, it became necessary for me to spend a great deal of time on the ABC election in Lexington; a vote that was certified as a one vote victory for the establishment of ABC stores, and then was declared "null and void" on on September 24.

I remember a business man who said to me one day in the post office. "I believe you got out of the preaching business, didn't you?" He was mistaken, and for this I am glad.

Respectfully submitted,
Leonard Rollins

COMMITTEE ON RESOLUTIONS REPORT

BE IT RESOLVED THAT WE, THE ONE HUNDRED AND THIRTY-NINTH SESSION OF THE LIBERTY BAPTIST ASSOCIATION, EXPRESS OUR SINCERE APPRECIATION TO THE FOLLOWING:

1. To the host churches, Welcome, Holloways, Floyds and Mountain View for their careful attention to our comfort, and for providing adequate and gracious meals.
2. To the Committee on Order of Business for arranging a helpful and meaningful session.
3. To all program personnel for their conscientious contribution to our purpose of expanding and advancing the cause of Christ.
4. To our Clerk, Rev. Dale Martin, who concludes his work as clerk this year, for his efforts in providing our meeting with printed reports, and recording the actions of this association.
5. To our Moderator and each associational officer for faithful service rendered.
6. To our Associational Missionary, Leonard Rollins, for his leadership and

understanding attitude that helps unite and guide the work of Christ in our churches throughout the association.

Respectfully submitted,
Clyde B. Case, Jr., Chairman

CHRISTIAN HIGHER EDUCATION REPORT

Based on information received from Rev. T. Robert Mullinax, Executive Secretary of the Council on Christian Higher Education of the Baptist State Convention of North Carolina, the following report is shared with the Liberty Baptist Association:

As of April, 1971, enrollment in our colleges and university and the amounts received by these institutions through the Cooperative Program during the last year were:

	Enrollment	Contributions
Campbell College	2,207	$ 302,350
Chowan College	1,483	184,360
Gardner-Webb College	1,538	193,578
Mars Hill College	1,494	261,791
Meredith College	1,109	261,791
Wake Forest University	3,051	447,995
Wingate College	1,745	191,735
TOTALS	12,627	$ 1,843,600

The Baptist Colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program and through the special offerings received through the churches on Baptist College Day each year. In a recent address Dean A. R. Burkot of Campbell College spoke of the importance of the financial support which comes to the colleges through the Cooperative Program and of the gratitude of the colleges for this support when he said:

> What does continuing support through the Cooperative Program mean to our seven Baptist Colleges? It means the difference between extinction and survival. It is insurance against deficit financing. It is a partial payment on the continuation of a dual system of higher education. It is an option on retaining institutional witness in the fulfillment of a true religious purpose and service to the denomination. It is a sacrificial investment in the promise of a brighter future. It is a loving reminder that it is never enough just to say thank you for the Cooperative Program.

Our churches should be aware of the involvement of many of our college students in the great work of our Lord through the churches. For example, the Baptist Youth Corps has completed its third summer of successful operation.

This is a joint venture involving the Baptist Colleges, the Church Training Department, and the local churches. For a small investment of money a church can have the benefit of a summer worker from one of our colleges who has been carefully screened and trained for this particular assignment. Inquiries may be made through the Department of Church Training of the Baptist State Convention.

The Executive Secretary of our Council on Christian Higher Education sets before the churches of our association and of our state a strong challenge when he writes these words concerning the "common goal" of our Baptist Colleges:

> Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However, it is the ever present goal toward which we strive. The prayers and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to move more closely together.

EVANGELISM REPORT—1971

Evangelism is the primary task of the New Testament Church and there are no easy answers or shortcuts in this arm of the church. For many years the local church has become guilty of neglecting the New Testament method of evangelism, that is lay evangelism. In Acts 8 the Scripture tells us that, "They were all scattered abroad throughout the regions . . . , except the apostles." This would indicate that the lay people were scattered abroad and it was these who went everywhere preaching or proclaiming the Word. Evangelism is a spiritual work and therefore it requires spiritual power and spiritual foundations. It is not by might, nor by power, but by My Spirit saith the Lord.

This has been a good year for our Association in Evangelism. It has been a rather busy year. An Evangelism Clinic was held in the early spring at the Reeds Baptist Church with near one hundred in attendance of lay people and pastors with the emphasis on lay evangelism. Also in the early spring a prayer meeting was held in two of our churches praying for the spirit of revival in our Association. Then a Preacher's Retreat was conducted at Camp CaRAway for three days with great mountaintop experiences. During the year a Y.E.S. Team was organized in our Association consisting of young people from our churches. These initials stand for Youth Evangelism Service. This group sponsored a Youth Rally at East Davidson High School Stadium in May with approximately three hundred in attendance and several decisions were made for Christ. Another Rally, "Pep Rally for Jesus," is planned for October 9th at the Davidson County Community College. This Team has put together a good program of music, testimonies, and a film in order to present the claims of the Gospel to the youth of this county in a dynamic manner.

The highlight of the year on the state level was the Youth Evangelism Night in Greensboro with nearly 20,000 in Attendance. Emphasis in evangelism now among Southern Baptists is that of Lay Involvement with lay evangelism schools, WIN materials, and leadership training materials for pastors leading the church in

preparation for evangelism. This coming year lay evangelism schools can be set up with state workers. Our State Evangelism Conference will be held in Fayetteville in early February 7-9. Here are some goals that the local church can consider for the coming year, 1971-72:

1. To minister to human need in such a way as to close the gap between The Christian and the non-Christian.
2. To equip adult and youth as witnesses on the campus and in the community.
3. To experience renewal of the church staff and members in terms of fellowship, hope, joy, and repentance.
4. To mobilize the church to go beyond itself to reach lost persons for Bible Study.
5. To achieve basic continuing outreach, reflecting the idea that a church that fails to reach out to lost persons sins against God.
6. To achieve basic continuing inreach programs, reflecting the idea that a church that cares for its own if following the pattern of the New Testament.
7. To lay foundations for working with other Christian groups in evangelism.

If any success has been realized this year in Associational Evangelism it is because of the cooperation from the pastors and Associational leaders. Dean Harrold, pastor of First Baptist Church of Welcome, will head evangelism this coming year. This area of our work will be in very capable hands this year and I urge upon you to support him with your prayers and encouragement.

Let us undergird all of our work in the Association by emphasizing evangelism in the local church remembering the world of our Lord, "ye shall be my Witnesses beginning in Jerusalem . . . . . "

Respectfully submitted,
Melvin Greene, Chairman of Evangelism

1970-71 SUNDAY SCHOOL REPORT

As with all other church organizations, the Sunday School in the past year has seen and undergone many changes and adjustments in organization, literature, terminology and methods. We know that some of your churches have followed closely the suggested changes while others have remained virtually the same as in years gone by. It is not so much the changes that we are interested in as it is, are you and your church doing the job that a Bible Teaching Program should be doing?

Since this has been the first year that we have worked under the new organization, in our Associational Sunday School programs for the year, we have majored on three of the areas which seemed most important to us.

In October, 1970 we met at Erlanger Baptist Church, under the leadership of Outreach Director, Joe Seay for a program on the task of outreach.

In February, 1971, a meeting was held at Reeds Baptist Church with Teaching Improvement Director, Mrs. Leonard Rollins in charge.

In May, 1971, a meeting was held at Greenwood Baptist Church dealing with Extension Activities of the Bible Teaching Program as our topic.

* Now it is the feeling of your Associational Organization that our denomination has a more than adequate Organizational structure, excellent

literature for all ages and all sizes of churches, however the great need to make the Bible Teaching Program productive is people in the churches who are dedicated to the task of teaching the Bible and who are trained for their task. What provisions has your church made to see that your teachers have the proper training?

To provide help for you during the coming year, the following people have agreed to serve as resource persons in the Associational Sunday School Organization.

Director ..... Rev. John H. Pace
Outreach Director ..... Rev. Joe Seay
Extension Activities Director ..... Rev. Morris Hollifield
Teaching Improvement Director ..... Mrs. Leonard Rollins

AGE GROUP DIRECTORS
Adults ..... Rev. Lamar Moore
Youth ..... Rev. Bill Greenwood
Children ..... Rev. Dale Martin
Preschool ..... Mrs. Larry Phillips

Please pray for us that we will be adequate for the task of this year.

John H. Pace,
Director

* Bro. Dearl Bunce and 9 other dedicated workers attended the State V.B.S. Clinic at Wingate College, and returned to our Association to lead our churches in effective work in the area of up-to-date teachings of the word of God to the people who need to know what "Thus Saith the Lord."

CHURCH TRAINING REPORT

The Church Training Department continues to serve the churches of the Liberty Baptist Association by offering a comprehensive program of Christian training and development. This development is moving forward with an ever enlarging concept of Christian training, leadership skills and development, teaching and training techniques, and interpretating a curriculum which undergirds and enhances the entire life of the local church. This involves much more than a "time and a program concept."

This department operates within the framework of three broad divisions: Church Member Training, which undergirds Christian living through regular curriculum materials, Christian Ethics, Christian Doctrine, Christian History, and Church Polity and Organization; New Member Training, which seeks to orient every new church member into the Christian life and his responsibility to the Christian church and the Christian church's responsibility to the infant in Christ; Church Leader Training, which offers assistance in the area of developing leadership skills for general leadership training, and specialized leadership for specific Church assignment responsibilities.

The work of this department continues to be carried out by a most efficient and committed staff. In addition to the Associational Director, the staff consists of the following: Malcom Myers, Associate Director; Eugene Elmore, Director of

Adult Division; Dearl Bunce, Director of Youth Division; Dale Martin, Director of Children's Division; and Miss Helen Tate, Director of Preschool Division.

The Liberty Association has a total of forty-three churches with a total of twenty-four churches which are actively participating in a Church Training Program.

The year "1970-1971" has been a very rewarding year for Church Training in our Association. "M" night was held on November 30, 1970, at the First Baptist Church of Lexington with a total attendance of 253. The annual "Associational Youth Night" was held at Coggins Memorial Baptist Church on March 20, 1971, with an attendance of 260. Many decisions were recorded at this meeting.

The year "1971-1972" will be a very exciting year for Church Training. On October 18, 1971, a "Church Training Leadership Conference" will be held at Calvary Baptist Church of Lexington. "M" night will be observed November 29, 1971, at the First Baptist Church of Thomasville. Youth Night will be held on March 18, 1972.

These and possibly other opportunities for training will be available to you this coming year.

Indications are that Church Training is taking a renewed and significant role in the life of Southern Baptists. This is an imperative. To underscore this significant role, we need only to look at the twenty-three critical issues facing Southern Baptist and find that critical issue number one is: "Lack of trained leaders and teachers." The Church Training Department is seeking to help in this area. May we help you?!

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC., REPORT

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in

higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care

Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

AMERICAN BIBLE SOCIETY REPORT

In the words of ABS General Secretary Laton E. Holmgren: "The sole purpose of all Bible Society activity is—and always has been—to provide men, in intelligible and convincing speech, with the record of the 'wonderful works of God' . . . It is this concern for the redemption of the world—for the whole life of the whole man in the whole world—that permeates the work and witness of all those concerned with the Bible Society movement .,. .

The American Bible Society is grateful for the privilege of serving as a partner of Southern Baptists in providing the Bible as a tool for missions. As a missionary non-profit organization, it serves churches of many denominations at home and abroad.

During 1970 the American Bible Society:

aided in providing technical assistance to more than 3,000 translators working in more than 800 languages and dialects. At the close of 1970 at least one book of the Bible has been published in 1431 languages: the Bible in 249, a Testament in 329 more, and portions in 853. Many, however, still wait for the Bible in their own language.

donated 4,323,599 Scriptures for chaplains to the Armed Services, a 94.3 per cent increase over 1969. Many of these were distributed by Southern Baptist chaplains.

distributed 99,595,465 Bibles, Testaments, Portions and Selections, a 30.7 per cent increase over 1969. An attempt was made to reach every home in South Carolina and Arizona with a New Testament or a packet of specially designed Selections. The world distribution of all the Bible Societies totaled 173 million, equivalent to one copy for every 21 persons in the world.

continued to develop Scriptures in everyday speech. "Good News for Modern Man" in Today's English Version New Testament published in September 1966 has a distribution of 25 million copies. On December 1, 1970 the first book of the Old Testament, "The Psalms for Modern Man" was available in Today's English Version. Job is to be available in the fall of 1971 in time for Southern Baptists' January Bible Study.

In 1970 Southern Baptist churches gave $233,185 to the American Bible Society, and stood first among all denominations. Gifts from all churches in the U.S.A. totaled $1,413,045.

Although Southern Baptists lead in total gifts, the per capita gift from more than 11.6 million members is only a little more than 2 cents per year. Southern Baptists can lead, even in per capita gifts—if every church will give each year. Has

your church given this year? Please send gifts to your Baptist state office marked "for the American Bible Society."

ANNUITY BOARD REPORT

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members, and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970, active members received Good Experience Credit in the form of increases in retirement credits accrued.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable or fixed period are getting four per cent more income each month.

Each retired person, or widow, also received a "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to $424,594.

In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million; $8.4 million was paid in benefits during 1970.

In Liberty Baptist Association, 32 members participate in an Annuity Board program through 30 churches. The churches are as follows:

Abbotts Creek Baptist Church
Calvary Baptist Church
Carolina Mem. Baptist Church
Center Hill Baptist Church
Churchland Baptist Church
Coggins Memorial Baptist Church
Erlanger Baptist Church
Floyd Baptist Church
Greenwood Baptist Church
Hasty Baptist Church
Holloways Baptist Church

New Friendship Baptist Church
Oak Hill Memorial Baptist Church
Park Place Baptist Church

Southgate Baptist Church
Southside Baptist Church
Stoners Grove Baptist Church
Summerville Baptist Church
Wallburg Baptist Church
First Baptist Church, Welcome
First Baptist Church, Denton

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member, or denominational employee. Many churches help by paying the dues in retirement and life and health insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT

In commenting on man's worldly goods, the late R. G. LeTourneau, wealthy but mission-minded layman, made this observation: "It's true what they say, You can't take it with you'—but you can sure send it on up ahead and have it waiting for you when you get there."

Recognizing the urgent and compelling desire to dedicated Baptists and others to make LASTING GIFTS, a perpetual investment in the souls of men, thus "laying up for themselves treasures in heaven", the North Carolina Baptist Foundation, Inc., was established. Organized in 1920 and administered by a fifteen-member Board of Directors elected by the Baptist State Convention, the primary purpose of the Baptist Foundation is to hold, manage and invest as a perpetual endowment fund, gifts for designated or undesignated purposes, the income from which is used to financially undergird Baptist agencies and institutions and the cooperative undertakings of our denomination. At the present time the Foundation holds assets valued at well over a million dollars.

During the past year, the Foundation has continued to experience gradual growth by investment, memorials and gifts of individuals and by contracts with supporting churches. However, it is felt that many who would make gifts, both large and small, have failed to do so because of unfamiliarity with the Foundation or lack of information as to its benevolent purposes. A gift may be made during the lifetime of the donor or by Last Will and Testament as an important part of one's estate planning. In either situation, the help of one's own lawyer or that of the Foundation should insure that the instrument of gift be drafted so as to be fully tax deductible. Those desiring to make a gift or to secure information or to obtain a church sponsored clinic on Wills and Gifts may contact C. Gordon Maddrey, Executive Secretary, North Carolina Baptist Foundation, Inc., 301 Hillsborough Street, Raleigh, North Carolina.

Some light a candle, but many Baptists are giving prayerful consideration to LASTING GIFTS held in trust by the Foundation, the income from which for years to come is used to help reach a lost world and to glorify the blessed name of our Lord and Savior, Jesus Christ. The Great Commission for some of us may be "Go Ye" to the bank or a law office rather than to a foreign mission field to accomplish our assigned portion of His work. Surely we need to plow and plant in His Kingdom, here and now!

In grateful acknowledgement of His Abundant Grace and Enduring Mercy this report is

FOREIGN MISSION REPORT

Sending and maintaining missionaries remains primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1970 the overseas mission staff, serving in 76 geographical or political entities, totaled 2501 and 35 were added between January and May, 1971. Foreign Mission work is carried out through six administrative areas through programs of—

(1) Evangelism and Church Development—including radio and television, English-language churches, lay-leadership training, stewardship promotion, camps and conferences, work with women, men and youth, and music and

religious education. During the year large-scale evangelism efforts in Asia and East and Central Africa, and radio and television programs increased.

(2) Schools and Student Work—schools total 713, enrolling 90,564 students in kindergartens, elementary and secondary schools, colleges, theological institutions, and schools for vocational and other types of training.

(3) Publication work—all kinds of Christian literature are provided for purposes of evangelism and developing vigorous church life. Twenty-six centers, staffed by 666 national workers and 80 missionaries produced more than 27 million pieces of literature.

(4) Hospitals and Medical Care—serving the physical needs of thousands of people who would otherwise be neglected and often opening strategic doors for evangelistic witness. More than 51,000 inpatients and nearly 930,000 outpatients were served through our 20 hospitals and 105 clinics and dispensaries.

(5) Benevolent Ministries—including agricultural programs, 44 goodwill and community centers in 17 countries reaching nearly 350,000 persons through literacy classes, home-making courses, Bible study groups, recreation programs and evangelistic services, 24 orphanages caring for 1186 boys and girls and direct relief work.

Contributions to support this great work at the end of 1970 totaled $31,503,218. The 1970 Lottie Moon Christmas offering had reached a total of $16,220,105 by May 1, 1971.

These needs are met through our cooperative support of the Cooperative Program and Lottie Moon Christmas offering. Pray that God will use each of us in giving freely of our time and money in Proclaiming the Power of Jesus Christ throughout the world.

Mrs. Robert W. Cook

HOME MISSIONS REPORT

The Home Mission Board is an additional arm of the churches, reaching across barriers of race, culture, religious, and geography to point to Christ as Lord and Savior who could not otherwise be reached by the normal ministry of the churches.

The Board belongs to the churches, looks to the churches for support, and serves the churches in their effort to obey the missionary imperative of the Gospel. The Board realizes that, by the increase of the Christian faith in our nation, it helps strengthen the Baptist base for the carrying of the Gospel around the world.

There were many Christ-honoring accomplishments in home mission work in 1970. The Board reported a total of 2,222 missionaries in service, scattered through all 50 states, plus Puerto Rico and Panama-Canal Zone. About two-thirds of these were jointly employed with one of the state conventions. An additional 943 college students served in summer mission work. There are also 186 retired home missionaries and staff members, most of whom are active in some form of Christian service.

The Board related to a total of 942 Southern Baptist chaplains in active service at the end of the year serving in the military, hospital, institutional, and industrial chaplaincy.

The Board is involved in developing a national strategy for helping to claim

our land for Christ. It consults with missions leaders of each of the 31 cooperative state conventions, sharing in the development of objectives and plans state by state, and blending them into a national effort that centers in three basic areas. These are the areas of (1) establishing new churches and church-type missions, (2) ministering to the disadvantage, and (3) Christian witnessing.

The church loans division served 207 churches by the closing of loans or the commitment for future loans. This provided over $8 million for young churches, located largely in newer areas of the convention.

Through its pioneer, metropolitan, and rural-urban missions programs the Board was assisting approximately 400 young congregations with pastoral support at the close of the year.

The 1,058 missionaries involved in language missions reported 36,910 professions of faith and approximately 70 new language congregations started during the year.

Christian social ministries, with 288 missionaries related to persons of deep need in ghettoes of practically all of our large cities, reported 3,126 professions of faith.

The Board's evangelism program leaders are planning a Nation-wide interdenominational evangelism thrust in 1973. Called "Key 73" this is an outgrowth of the international conference on evangelism held in Germany in 1966, and is a response to an action of the Southern Baptist Convention in 1968.

Let us give thanks to God for the progress of the Gospel in America and may we face the future with a fresh commitment to share this Gospel with all men.

Respectfully submitted,
D. C. Sullivan

STATE MISSIONS REPORT

Before the organization of a Baptist State Convention local churches in some areas engaged in Missions. They shared the gospel of Christ with people beyond the local church. Many of them sacrificed much in order to share their faith with others.

Our fore-fathers wisely recognized they could accomplish more if organized into a Baptist State Convention. Accordingly, in 1830 a group of loyal Baptist met in Greenville, North Carolina and organized the State Convention.

Along with the numerical growth of Baptist throughout the State our mission work has also grown. Today, it is almost impossible to find a strong Baptist Church in North Carolina that was not in some way assisted by the mission program of the State Convention.

The Division of Missions work through five departments and numerous specialized ministries. These departments are, Town and Country and Seminary Extension; City and Metropolitan; Interracial; Work with the Deaf; Fruitland Baptist Bible Institute.

The ministry of the Department for the Deaf occupies a position of respect and love among Baptist and other denominations in North Carolina. Through the Divisions of Missions, Baptist of North Carolina help provide Sunday School classes and teachers for the Deaf. Interpreters are trained for local churches. T. V.

Programs in sign language are provided, and retreats and revivals are held for the Deaf.

The Fruitland Bible Institute offers an excellent opportunity to those who have not had the advantage of a college education, to further their education and secure a good sound knowledge of the Word of God. The need here is especially acute at this time because of the recent burning of the Justice Building which contained the school's class rooms and auditorium.

Last year the State Mission Offering Goal was $250,000. We missed it by $29,130. Our Association gave $4,755.62 toward last year's goal.

This year, the goal was originally placed at the same $250,000, but after the tragedy at Fruitland it was increased to $300,000. All money above the original $250,000 will go toward replacement of the Fruitland Building.

HISTORY OF THE FIRST BAPTIST CHURCH, WELCOME

The First Baptist Church of Welcome was first constituted in October of 1911, with 13 charter members. The Rev. O. A. Keller was called as the church's first pastor.

In the year 1912, the church built its auditorium. The church was dedicated in October of 1919. The dedication service was held by the Rev. W. L. Barrs who was pastor at that time.

Mr. C. S. Haynes was elected as the church's first clerk. When the church was first organized, they held only one service a month. Our first Sunday School was organized on August 4, 1912.

In May of 1924, our first Mother's Day Offering was taken with each member giving a penny for each year they were old.

On September 29, 1946, Mr. M. O. Haynes and Mr. Harry Hartley, were ordained as deacons. Even though they were not the first deacons, it is interesting to note that over the past 25 years, they have both served almost every year, and Mr. Hartley is our present chairman.

In 1932, ten classrooms were added and the church brick veneered at the same time. On November 2, 1941, after these new additions, the church was dedicated and the mortgage burned.

On January 21, 1961, the church bought a lot on which to build a parsonage from Mr. M. O. Haynes and his son Jerry. The Rev. Oscar Hartman had resigned, and we had to undergo the task of looking for another pastor.

After many long journeys and prayerful months, the Pulpit Committee recommended the Rev. Gerald N. Hewitt, who came to us in July of 1962. With the arrival of the Rev. Hewitt, for the very first time our church began to operate on a full-time basis. We set our Sunday School up into departments and underwent more changes. The Rev. Hewitt left in 1965, to accept a position with the North Carolina Baptist Hospital.

At the present time, our pastor is the Rev. H. Dean Harrold. Our church is the largest it has ever been with a total of 427 members. We have recently purchased nine acres of land for relocation of the church in the future.

One very important point is the fact that we have changed the name of our church from Welcome Baptist Church to the First Baptist Church of Welcome, a church that we can all truly be proud of.

We have no records showing positively who the first deacons were; but as best we can determine they were E. S. Craver, W. S. Disher, and J. F. Crotts. On January 20, 1929, Fred Leonard, Lewis Disher and E. L. Davis were elected to serve with the three above named on the Board.

The first church clerk was Mr. C. S. Haynes. His wife took the job after him.

Mr. E. S. Craver was the first treasurer.

The thirteen charter members were as follows:

Guilford Beeker
Vaughn Brinkley
Mr. and Mrs. E. J. Crotts
Mr. and Mrs. C. S. Haynes (Mrs. Haynes is presently our oldest member.)
Mr. and Mrs. K. Z. Hill
G. C. Hinkle
Mr. and Mrs. E. J. Zimmerman
Emory Zimmerman
Mrs. Daisy Leonard

Pastors of Welcome Baptist Church have been as follows:

Rev. O. A. Keller 1911-1917
Rev. W. L. Barrs 1917-1920
Rev. J. C. Gillespie 1920-1921
Rev. W. L. Barrs 1921-1927
Rev. E. C. Roach 1927-1934
Rev. C. C. Edinger 1934-1942
Rev. E. T. Sims (Interim) 1943-1944
Rev. O. M. Hartman 1944-1962
Rev. E. C. Roach (Interim) 1962
Rev. G. N. Hewitt 1962-1965
Rev. Don Sides 1965-1966
Dr. R. K. Redwine (Interim) 1967

HISTORY OF HOLLOWAYS BAPTIST CHURCH

Holloways was at first an arm of the Jersey Church, at what time it was established as an arm is not given, but probably during 1795.

The Yadkin Association was appointed to meet with the Jersey Church for the 1799 session. For some reason the 1799 session was held with the arm at Holloways.

A few years after the arm at Holloways was established, the membership of the arm was transferred to the church at Tom's Creek. In January, 1831, Tom's Creek Church granted dismissal to the membership that had come from the Holloways arm in order that they might be constituted into a church of their own.

It was constituted into a church of it's own in January or February of 1831.

As we will see from the following it is not known who the charter members were.

1831 was just before the split in the denomination. The part of the membership that were in sympathy with the newly organized Baptist State Convention, favoring missions, Sunday Schools, etc., held the church and grounds. The anti-mission part of the congregation held the church records, which were completely lost to the Holloways Missionary Baptist Church.

The missionary element has had a continuous growth, while by 1850 the anti-mission element had only 9 members, according to their report to their association, the Abbotts Creek Union Association.

The following is taken from the early minutes of the church:

Holloways Baptist Church,
State of North Carolina,
Davidson County

"Whereas a division has recently taken place in the Baptist Church of Christ at Holloways Meeting House.

The minority of the original church have withdrawn and declared us the majority out of their fellowship, we believe not for vice or immorality within us, but for the enormous guilt they seem to hold forth of our being in favor of some one or all to the benevolent institutions of the day, purporting to have as their object the promulgation of the gospel of Jesus Christ and the difusion of useful knowledge, viz,

The Baptist State Convention of North Carolina, Bible societies, tract societies, Sunday Schools, etc.

Now could we prove so ungrateful as to quency the Spirit and withhold our aid more than is mete from these institutions.

Yet we would be under the painful necessity of declaring unfellowship with all of our dear brethren, who aid them, of whom many are almost as dear to us as life itself; or not reconcile the minority above named. Therefore we have considered, better is a dry morsel with quietness therewith than a house full of sacrifice with strife. Therefore we give ourselves to God and one another, to live as becometh the members of a gospel church, and keep a record of the business transacted by us in church capacity, being under the pastorial care of Elder Eli Carroll, we wish it to be distinctly understood that we wish not to bind the conscience of our brethren. All that wish to aid the above named institutions are at liberty to do so, and those that do not aid them are also at liberty.

It makes no bar in either case. We are advocates for liberty of conscience.

From the above we see that the anti-mission element did not believe in the work and would not associate with these that did."

The above information was secured from Henry Sheets' History of the Liberty Baptist Association, along with the names of the slaves and colored people below.

The first church was a log building which stood in front of where the church now stands. There were a number of slaves living in the surrounding area who belonged to this church before the Civil War. Their names were as follows:

William, a slave of Jacob Miller
Ison, a slave of Jasper Smith
Charles, a servant of widow Chambers
Samuel and Judy, slaves of Jas. Goss
May, a slave of Peter Hearn
Wisey, a slave of Geo. Smith
Katy, a slave of Wm. Chambers
Sufy, a slave of Moses Holmes

Siller, a slave of Jasper Smith
Lidy (Lydia) Jones, a free woman
Lewis, a slave of Mr. Freeling
William Fisher, a free man
Milly, a slave of Mr. Freeling
James Jones, a free man
Nancy, a slave of Jacob Feezor
Aaron, a slave of David Huffman
Frank and Edey, slaves of Geo. Feezor
Harriet and Mary, slaves of John Rodman
Hannah, a slave of Ezra Long

The W. M. U. was organized in 1900 under the leadership of Mrs. J. F. Peters, and $1.10 was given for foreign missions.

The year a larger church was built is now known, but around 1928 Sunday School rooms were added. These rooms were part of a community owned school which stood across from the church, but was no longer needed since the students would be going to Southmont School.

One-time branches of Holloways are: Stoners Grove, organized as a church in 1900, Mountain View, in 1939, and Floyd in 1942.

Much was accomplished throughout the years, and in 1956 an educational building was added.

For many years Stoners Grove and Holloways shared a Pastor, and together owned a parsonage in Southmont. In 1962 Holloways completed a new parsonage, and secured a full-time pastor.

In 1969 additional classrooms were added, and a Baptistry installed with the first Baptismal service being held on Easter Sunday.

Following are the pastors who have served so faithfully through the years:

Rev. Eli Carroll 1831-1844

Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include

only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership

and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

EXECUTIVE COMMITTEE REPORT

During the past associational year, the Executive Committee of the Liberty Baptist Association met as prescribed by the constitution for the purpose of reviewing the work of the Association. Reports of the various organizations were presented and several items of business were considered. A summary of these meetings is presented as follows:

November 8, 1971

The meeting was opened with scripture and prayer. After the Treasurer's report, the Chairman of the Finance Committee called attention to the matter referred to the Executive Committee by the Association in Annual Session on September 29. The matter concerned the Association's desire to increase the missionary's salary, but also the intent to abide by the recently announced action of the President in freezing wages at the current level. After discussion of the matter, the Executive Committee authorized an increase in salary in keeping with the budget adopted by the Association in its annual meeting, with payment of the increase to be made as soon as possible under the provision of Phase II of the Price and Wage Act. If the provision allowed for retroactive pay, it was to be made. If not, the raise in salary would be the maximum authorized by the Association in keeping with the provisions of the law.

The Missionary presented information concerning organizational meetings and areas of emphasis for the year. Associational calendars were provided in sufficient quantities for the churches.

A request from the Smith Grove Baptist Church was presented, asking approval of an application for scholarship aid at Gardner Webb College for a ministerial student, Mr. L. V. Koonts. This request was approved.

Other matters discussed included repair work at the Missionary's home to retard dampness, the organization of Concerned Citizens to work against the approval of ABC Stores in Lexington, dedication service for the new building at Currytown, and some of the current issues to be considered at the State Convention at its meeting in Charlotte.

January 17, 1972

Following opening remarks by the Moderator and a period of devotion, several items were considered. These included a progress report from the Trustees concerning repairs at the Missionary's home; a report from the Treasurer that the increase in salary for the Missionary had been made in keeping with the Price and Wage Act; and reports from the organizational directors.

During the meeting the Moderator, Rev. Jack Byrd, presented his

resignation because of plans to move to Windsor (the Cashie Baptist Church) in the West Chowan Association. Reverend Melvin Greene, pastor of the Rich Fork Church, was elected by the Executive Committee to serve as Moderator of the Association.

Upon the resignation of the Rev. D. C. Sullivan, who was serving as Chairman of the Memorials Committee, the Rev. D. W. Digh was elected to fill this place of responsibility.

April 10, 1972

This meeting was concerned primarily with approving recommendations presented by the Nominating Committee. These were names to be submitted to the Nominating Committee of the Baptist State Convention for their consideration in selecting nominees to recommend as trustees of our institutions, directors of foundations and agencies, and nominations for General Board members.

The usual reports were presented with emphasis being given to scheduled meetings.

September 11, 1972

The meeting was highlighted by the Treasurer's report which indicated that every member church had made a contribution to the financial work of the Association, and that our adopted budget had been exceeded by the contributions from the churches.

Upon a recommendation by the Finance Committee, the decision was made to increase the retirement participation for our Missionary. The Treasurer was authorized to increase the annual payment from $400.00 to $874.00, and to begin the increased participation with the September payment.

The World Missions Conference was emphasized; Rev. C. W. Pierce, newly called pastor of the Summerville Baptist Church, was welcomed to the Association; and the scheduled program for the Annual meeting was emphasized with appropriate announcements.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association met in a called meeting on May 11, 1972, in the office of the associational missionary at Erlanger. Carl Hemphill, chairman, of the Missions Committee, presided; and Dean Harrold led in the opening prayer. Harold Helms, pastor of the Oakhurst Church, brought an up-to-date report from the church, which has been under a watchcare relationship with the association for one year. Oakhurst was organized on November 15, 1970, with 73 charter members, and is to be received into full membership at this session of our annual meeting.

A number of other matters related to the work of the Associational Missions Committee were discussed in the meeting on May 11. John Phelps, a licensed minister of the Lakeview Church, started a mission on July 18, 1971, at 37 Curry Street in Lexington. The True Light Baptist Mission, under the leadership of Rev. Georome Hepler, was organized by the High Rock Baptist Church on Easter Road in Welcome. The progress of both of these missions was discussed. Discussion also centered on conformity to the standing resolutions section of

our constitution dealing with the policies for the establishment of missions.

Jack Alexander, former pastor of the East End Baptist Church on Farmer Road in Denton, spoke to the committee concerning recent developments at that church. The East End Baptist Church "has ceased to exist as a missionary Baptist Church" and is now called the Bethel Independent Church. After much discussion in the meeting on May 11, a motion was made and passed to table the matter and "wait and see what develops." Since this meeting our associational clerk has received a letter, dated June 11, which says: "I am writing to tell you that the trustees of East End Baptist Church made the building and property to Bethel Independent Baptist Church trustees." This letter is signed by Mrs. Colon Yates, clerk of the former East End Church.

Since our constitution says that "member churches may withdraw at their pleasure" and since East End Baptist Church "has ceased to exist as a missionary Baptist Church," the Missions Committee recommends that the name of this church be removed from the membership roll of our association.

Respectfully submitted,
Carl Hemphill, Chairman

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and the Bowman-Gray School of Medicine have become just One in our consideration. Their ministry is very similar, and yet there is a distinctiveness in its total ministry. We are proud of and grateful for the work of both institutions.

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this work possible.

The operating deficit has been eliminated and the hospital is now operating "in the black."

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

We urge the Liberty Association to be faithful to our Medical Center with prayers and financial support.

Respectfully submitted,
R. C. Foster

WOMAN'S MISSIONARY UNION REPORT
1971-72

"The W.M.U. of the Liberty Association would prefer always to report progress in the work, but this year's work shows that there has been a slight retrenchment." "This is easily explained by the fact that three W.M.U.'s have become inactive during the year." "We deeply regret the fact that the women of our association are so seemingly uninterested in the great field of missions . . . "

No, this is not our report. These are quotes from the W.M.U. Report of the Liberty Baptist Associational Minutes of 1922—Fifty years ago. We have seen evidence in our churches that our W.M.U. Organizations have come through the years of change and are now beginning to grow and become more involved in mission study, prayer, and mission action. We have particularly noted this in the churches we have been in this year for various W.M.U. Meetings.

Throughout the year our Associational W.M.U. Council met quarterly in the Board Room at Davidson Community College.

Our Baptist Women had a very good Baptist Women's Day of Prayer on November 1 at Coggins Memorial Church, Lexington. On December 2, Mrs. Doris Martin, the Baptist Women's Director, led in an Associational Baptist Women's Prayer Retreat at First Baptist Church, Thomasville. Ralph Harrell, missionary to Kenya, was the speaker. We regret to report our attendance was small due to reports of snow in the area.

Our Acteens had a busy year. The first quarter they were involved in a project of securing subscriptions for Accent Magazines for some of the Acteens at Mills Home. They also had a coffee-house type of program at the Center Hill Church. A Banquet was held at Lexington, First Baptist Church, at which time the musical, TELL IT LIKE IT IS, was presented to them by a group of students from Lexington Middle School. They were involved this summer in a Vacation Bible School at the Currytown Church.

Our Annual WMU Meeting was held on April 20, 1972, at Liberty Baptist Church. We had a good attendance. We were very much challenged by our speaker, Miss Jolene Ivey, the State Acteens Director. There were reports given by each of our age-level Directors and a slide presentation of the Acteens work in our association presented by the Associational Acteens and their Director, Mrs. Harriet Sides. The Girls In Action gave us a report with Girls In Action of Coggins Memorial Church giving the presentation.

Some of our new officers for next year attended W.M.U. Week at Ridgecrest, and all of them attended the State W.M.U. Workshop at Camp Mundo Vista in preparation for the new year's work. Our Leadership Training Conference was held at Camp Mundo Vista this year at which time we were challenged by a commitment service led by Mrs. Gilmer Cross. We received

reservations for approximately 200 and had around 150 in attendance for this conference. This is much better than previous years.

Therefore, having more and better trained W.M.U. Leaders in our churches, we anticipate better W.M.U. Organizations in all our churches.

Respectfully submitted,
Mrs. Daris Martin
W.M.U. Director, Liberty Association

REPORT OF ASSOCIATIONAL MISSIONARY

For more than twenty years I have been associated in some capacity with Liberty Baptist Association. Through these years there have been times when I have assumed that everyone understood exactly what the Association is and why it exists and how it functions. But every now and then it is well to stop and remind ourselves of these things.

The oldest general body among Baptists is the local district association. The first association in America was organized in Philadelphia in 1707, the second one in Charleston, South Carolina, and the third one in North Carolina—the Sandy Creek—which was formed in 1758. Next to the local church, the association is the most strategic force in Baptist life.

Russell Bennett of the Home Mission Board says: "I contend that the association is not important because of what it does, but because of what it is. Paul did not call the church at Corinth "body of Christ" because of its conduct! He called it 'body of Christ' because of its being. The association is not just a denominational agency, a technological arrangement, but a doctrinal fellowship, a spiritual family. The Bible teaches much more about mutual responsibility than it does about congregational separateness! If the members of the congregation are obligated to watch over one another in brotherly affection, does not the congregation as a whole come under the same obligation? We need to rediscover Christian fellowship. We need to learn how to study, think, pray, and love ourselves together on the great issues of our fatih.

The Liberty Association is composed of forty-three churches which have voluntarily united for the purpose of doing together what we find impossible to do apart. We are a fellowship of churches on mission where we are! "But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin." I John 1:7. The Association did not solicit these churches, but each church decided on its own to become a part of this larger fellowship. This means that each church is a member of the Association because of the local church's desire to work with other churches. The Association, as an autonomous body, is the sole judge of its membership and may receive churches or reject churches according to its constitution and by-laws. In our Association each church is asked to send a report to the Annual Session, send messengers to the Annual Session, and contribute to the financial program of the Association.

In Liberty Association we are Southern Baptist in our policies and actions, and we make no apologies for this stand. We are not perfect, but "church for church there is no other group on the face of the earth, independent or denominational oriented, who is trying any harder to remain true to the great commission of Jesus" than Southern Baptists.

E. C. Watson of the South Carolina Convention says: "To any who question the place or future of the Association, I join you, the believers, in saying: When Baptists no longer need fellowship; when they no longer need doctrinal integrity; when churches no longer need to help one another; then, and only then, will they no longer need associations."

Respectfully submitted,
Leonard Rollins

COMMITTEE ON RESOLUTIONS REPORT

Be It Resolved That We, The One Hundred and Fortieth Annual Session of the Liberty Baptist Association, Express Our Sincere Appreciation to the Following:

1. To the host churches, Greenwood and Hillside Park, for providing adequate and gracious meals and creating an atmosphere of warm fellowship which contributed greatly to our Annual Meeting.
2. To the Committee on Order of Business for planning a very good program of high quality.
3. To our clerk, Rev. Morris Hollifield, for his efforts in providing our meeting with printed reports, and recording the proceedings of these sessions.

CHRISTIAN HIGHER EDUCATION REPORT

Based on information received from Rev. T. Robert Mullinax, Executive Secretary of the Council on Christian Higher Education of the Baptist State Convention of North Carolina, the following report is shared with the Liberty Baptist Association:

The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges. During the past year these amounts were:

Campbell College	$311,688
Chowan College	192,400
Gardner-Webb College	213,564

Mars Hill College	270,322
Meredith College	270,322
Wake Forest University	467,532
Wingate College	198,172
	$1,924,000

The past year included the coming of Dr. John E. Weems as the sixth president of Meredith College. He was formerly Vice-President for Finance and Administration of Middle Tennessee State University.

Gardner-Webb College received accreditation as a four-year college by the Southern Association of Colleges and Schools. This action means that all our colleges are now fully accredited.

Again this summer seventy young men and women from the seven Baptist colleges worked in churches across North Carolina through the Baptist Youth Corps. Their salaries were paid jointly by the colleges and the churches.

The inclusive enrollment of our seven Baptist colleges during the past academic year was 16,609.

It is significant to remember that the common goal of our colleges is as follows:

> Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However, it is the ever-present goal toward which we strive. The prayers and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to move more closely together.

Frank M. Dawkins

ASSOCIATIONAL EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. Six thousand youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th State-wide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week, with inspiration and training in Evangelism, Vocational Guidance, and Recreation. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

In our association we have had three Evangelism meetings in the past year. They were planned primarily through the Y.E.S. Team, with the purpose of encouraging both youth and adults to mobilize in a more effective manner their talents in personal soul winning.

A "Pep Rally for Jesus" was held at the Davidson County Community College October 9. On March 18 Youth Night was observed at the Rich Fork Baptist Church of Thomasville. Also, on April 9 a meeting was held at the Erlanger Baptist Church of Lexington, with the purpose of promoting person to person communication between parents and youth. Most of these meetings had good response with testimonies, worship, and prayer which presented a challenge and blessing to our hearts.

In the coming year each church is encouraged to make a greater effort to utilize the talents of both youth and adults in helping to reach the lost for Christ. The Rev. Joe Seay, pastor of Park Place Baptist Church of Thomasville, will be leading us as Chairman of Evangelism. We greatly encourage your prayerful support on his behalf.

Our next State-wide Evangelism Conference will be February 5-7, 1973, at Ovens Auditorium, Charlotte.

Respectfully submitted,
Dean Harrold

SUNDAY SCHOOL

1971-72 BIBLE TEACHING PROGRAM REPORT

There is no greater task anywhere than the task of teaching the Biblical Revelation to people who need to hear it. The Gospel taught, by a teacher with a passion for telling the story, and with the available power of the Holy Spirit to make it effective, then God has promised to honor these efforts.

This is the primary task which has been assigned to the Bible Teaching Program of our churches—to teach the Biblical Revelation. Of course there are other tasks to be accomplished but they all hinge on doing a proper job with this one. In the book ADMINISTERING THE BIBLE TEACHING PROGRAM, the four significant tasks to be performed are:

1. Teach the Biblical Revelation.
2. Reach persons for Christ and church membership.
3. Perform the functions of the church within its constituency.
4. Provide and interpret information concerning the work of the church and denomination.

What a challenging responsibility this is! Christ gave us the total task in the Great Commission, now we must accept it and get on with it.

During this year our Associational Bible Teaching Organization has held four general meetings to try to help fulfill our responsibility to the churches, and have cooperated in other meetings. It is our prayer that these meetings have provided your churches with some ideas and enthusiasm for the work of the Lord.

As your outgoing Director of this work, please let me express my appreciation to you all for the privilege of serving you for these three years, and to give my heartfelt thanks to those who have helped by serving with me in the organization, and especially to our Supt. of Missions, Rev. Leonard Rollins for being so helpful in the work.

Let me commend to your new director, Rev. Charles Tanner, and encourage you to pray for him and to cooperate with him and his staff of workers in extending yet further the great tasks of the Bible Teaching Program of our

churches. Let me encourage you all to be sincere and enthusiastic in our great task for the coming year.

John H. Pace

CHURCH TRAINING REPORT

Lack of trained leaders and teachers is the number one critical issue facing Southern Baptist. The Church Training Department continues to serve the churches of the Liberty Association by offering a comprehensive program of Christian training and development for these people. This department operates within the framework of three broad divisions: Church Member Training, New Member Training, and Church Leader Training.

As one looks at the past year in Church Training three major events stand out. First of all, a Church Training Leadership Conference was held at Calvary Baptist Church on October 18. Five individual conferences were held at this meeting. Secondly, "M" night was on November 29 at First Baptist Church in Thomasville. The Rev. Tom Freeman, President of the N.C. Baptist Convention was our guest speaker. There were 253 present including 21 pastors, 10 directors, and 25 churches represented. Coggins Memorial had the highest attendance with 56. Lastly, youth night was on March 18 at Rich Fork Baptist Church with more than 200 in attendance. The Rev. Nido Qubein was the guest speaker.

The year "1972-1973" proves to be a very exciting one for the Church Training. The Church Training Department will be led by Malcom Myers along with Rev. Sam Murphy as his assistant. Among the opportunities available to our association will be: a leadership training conference, "M" night, and youth night.

Indications are that Church Training is taking a renewed and significant role in the life of Southern Baptists. This is an imperative. The Church Training Department awaits to help you and your church. Will you allow us to be of help to you?

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC., REPORT

I am grateful that the Baptists of North Carolina had the vision and wisdom to establish the Thomasville Baptist Orphanage in 1885. This came to be through their awareness of the need to make a home for dependent children. John Mills was the first superintendent; hence the name of the home was changed to Mills Home in his honor. Being one of the dependent children, I had the privilege of living at Mills Home during the years 1937 to 1944. Thank you for your support of the Children's Homes. You have made an impact on my heart and life because of your compassion and loving care to these children through the years. You not only gave me care, but helped me to identify as an individual and to accept my situation then, making it possible for me to grow into a responsible and mature adult. The best training of all that I received was an abiding faith in Christ Jesus who came into my life at age 11. The Baptists have supplied the Children's

Homes with very capable and dedicated leadership, and they do covet your prayers for guidance as they work with the children, and continue making plans for provision of the expansion of numerous services, the improvement of facilities, and the various programs designed to strengthen Christian family life.

Today the ministry is not just for orphans, but for neglected and disadvantaged children. The Homes annually serve approximately 1,000 children in a continuing type of care. There are about 300 children for whom other plans are made.

The Baptist Children's Homes of North Carolina, Inc. is a multiple-service agency of the Baptist State Convention of North Carolina. These campuses providing care for boys and girls are: Mills Home, Thomasville (1885); Kennedy Home, Kinston (1914); Odum Home, Pembroke (1958); Greer Home, Chapel Hill (1963); Wallburg, a group home, Wallburg (1967); Broyhill Home in Western North Carolina (1971). These homes provide quality care which serves the whole person, and sometimes necessitates the help of professional services, such as medical and psychological specialists.

We can keep informed about the ministry of the Children's Homes through the weekly publication of Charity and Children. The staff, children, and friends are encouraged and grateful for the support the Baptists are giving through the Cooperative Program gifts; the 1971 Thanksgiving Offering which was $400,000; and special gifts and bequests from individuals continue to provide for the homes and improvements. There are programs of estate planning, and will making and deferred giving. The Children's Homes will provide information and assistance to those who desire to give in these and many other ways. Let us continue to help so that these children may learn the values of real Christian living.

Respectfully submitted,
Mrs. Eugene Rollins

BAPTIST HOMES FOR THE AGING REPORT

"In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the state. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving," says Rev. William Poole.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30 per cent of the total operating budget in the care of the residents and patients, with 20 per cent coming from the offering, and 10 per cent through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world. The American Bible Society tries to provide the Bible that speaks to the heart of man to every person they can in a language they can understand and at a price they can afford.

At present 97 per cent of the world's population can secure at least a portion in their own language, and approximately 3,000 translators are presently at work on some six hundred new translations and revisions. At the close of 1971, at least one Book of the Bible had been published in 1,457 languages and dialects; the complete Bible in 253.

During 1971 the American Bible Society:

distributed 90,129,921 Scriptures within the United States. This total reflects the continued growth and interest in the use of the Scriptures.

supplied 53 per cent of the 1971 United Bible Societies' World Service Budget, thereby providing over half of the 1971 world distribution total last year—173 million Scriptures.

increased distribution of complete Bibles to members of the Armed Services through chaplains, reaching 54,490 copies for an increase of 33.3 per cent over 1970.

distributed through Home Missionaries of the Southern Baptist Convention over 300,000.

Following is the record of the Southern Baptist Convention in recent years:

1966—$233,896	1969—$232,765
1967—$218,509	1970—$233,185
1968—$222,937	1971—$240,249

The 1971 gifts from Southern Baptists stands first in total gifts. The per capita gift from more than 11.8 million members amounts to slightly more than two cents.

Southern Baptists can lead, even in per capita gifts, if every church will give. The help of every Southern Baptist Church is needed. Has your church given this year?

Please send the gifts from your church to your State Baptist Convention Office, marked "for the American Bible Society."

ANNUITY BOARD REPORT

Darold H. Morgan took office as president of the Annuity Board of the Southern Baptist Convention on March 1, 1972. R. Alton Reed, whom he succeeded, had been chief executive officer of the Board for 19 years.

The change in executive leadership occurred with the Board having record funds held in trust of more than 292 million dollars, as of December 31, 1971. These funds are held in trust for 36,000 retirement plan participants now active in churches and denominational agencies.

Moreover, the Board paid out 25 per cent more in benefits to 7,500 annuitants last year than their contracts required. Called "13th Checks," these extra benefits were paid twice in the year—8 1/3 per cent in February and another 16 2/3 per cent in December.

The same good yield on investments that permitted extra benefits to annuitants also gave God Experience Credits (credits for good experience in investing) to active members of the various plans, adding value to their retirement fund being built up.

The extra benefits paid through "13th Checks" totaled $1,339,732.

The Board, in its 54 years of existence, had paid out benefits that total 92.1 million dollars, including over 10 million dollars during 1971.

During the administration of R. Alton Reed, the Annuity Board eliminated its "unfunded liability"—which meant that potential claims for benefits exceeded assets. The Board is now in a position not only to fully meet every outstanding contract with members, but to grant Good Experience Credit as well.

The Annuity Board offers a protection plan for disability, death, and retirement to cover every pastor, church staff member, and denominational agency employee. Many churches help by paying in full the dues for their pastor and staff.

Retirement contributions may be made on the full salaries of pastors and other personnel by taking advantage of Plans B and C as well as Plan A. Information on the Annuity Board may be secured by writing its development office, 511 North Akard Building, Dallas, Texas 75201, or by contacting the Annuity Board representative of your Baptist State Convention.

In Liberty Association, the ASSOCIATION and 30 churches and 36 staff members are participating in the retirement program.

BAPTIST FOUNDATION REPORT

Jesus warned us of the folly of laying up treasures on earth. Instead, He advised us to concentrate our efforts on laying up treasures in heaven where thieves cannot break in, nor can the treasures be destroyed by rust or other

earthly means than can erode the value of earthly treasures.

How can we best heed Jesus' warning? By remembering that only people get to heaven, and only causes that aid people can endure beyond our own time limitations. Back in 1920, the Baptist State Convention of North Carolina established the North Carolina Baptist Foundation to aid us in our efforts to lay up treasures in heaven. Recognizing that many of us want to see the good we have begun to do in this life continued after death, the North Carolina Baptist Foundation specializes in helping us perpetuate the good causes that have challenged our efforts in this life.

Because the Baptist Foundation is incorporated as a charitable corporation, it and its donors have certain tax savings. Because it is independent of all the causes it serves, it is not in competition with other agencies, but is a servant to all of them. In essence, it is simply an avenue open to any individual—Baptist or non-Baptist, resident or non-resident, male or female, young or old—whereby this person can insure that any cause or agency of our Baptist Convention can be insured of continuing help after that individual's death.

This means that any of us can use the Baptist Foundation as the trustee of our gifts for any cause or agency of our Convention. We can make such gifts in cash or securities, or in farms, woodland, houses, etc. We can designate whether such gifts are to be in the form of a living trust, a gift annuity, or bequests in our wills. Further, if we are confused about which method of giving might best suit our needs, the Baptist Foundation is ready to help us make the right decision through expert counseling about these various means of perpetuating our investments in heavenly treasures.

If you have any questions about the Baptist Foundation, why not write to The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611. They will be glad to answer your questions, and if you wish, they will send a representative to talk with you about this matter.

FOREIGN MISSION REPORT

The Foreign Mission Board's programs of work around the world are described in functional terms as: 1. Evangelism and church development; 2. Schools and Student work; 3. Publication work; 4. Hospitals and Medical care and 5. Benevolent Ministries.

At the close of 1971 the Foreign Mission Board reported an overseas Missionary Staff of 2,526, working in 75 countries. This figure included 169 Missionary Associates, 125 Journeymen, and 5 Special Projects Medical workers. Both missionary appointments and net gain in missionary staff were up in 1971. The 226 reinforcements for missionary staff included 9 reappointments, 28 Missionary Associates, 67 Missionary Journeymen, and 2 Special Project Medical Workers. Net missionary gain for the year was 25.

No new countries were added in 1971. The rate of entry into new countries is likely to slow down in the seventies due to increased emphasis on the consolidating and strengthening of work already begun.

Organized churches, with which Southern Baptist Missionaries are related, on Mission Fields now total 6,045, of which 70 per cent are self-supporting.

Educational institutions under Baptist auspices in various lands may include

all levels from kindergarten through university.

In 1971 National Baptist organizations were formed in the Bahama Islands Indonesia, Kenya, Tanzania, and Thailand. In four of these Home Missionaries were assigned to serve among the people.

Our missionaries assisted in producing nearly 20 million pieces of literature, tracts, books, periodicals, Bibles, hymnals, and other items.

During 1971 nearly 56,000 inpatients and more than 941,000 outpatients were treated by missionaries and national workers engaged in our hospital and medical care ministry.

At the end of 1971 Southern Baptist contributions for Foreign Missions totaled $33,719,447.00 (a per capita gift of $2.80). The 1971 Lottie Moon Christmas Offering goal was $16,750,000.00. Still needed urgently on overseas fields are land, buildings, and equipment amounting to several million dollars. Contributions given by churches in Liberty Association in 1971 for the Lottie Moon Christmas Offering amounted to $32,680.13 (which is $4,740.85 more than was given in 1970).

Dr. Baker J. Cauthen in the August issue of THE COMMISSION states: "The ministry of relief is a continuous matter. The relief aspect of ongoing ministries is quite important and constitutes a significant segment of what is being done. Whatever we do, we keep in mind that the main objective is to bring people to a personal trust in Jesus Christ as Saviour. In so doing, the most profound need of the human heart is met."

HOME MISSIONS REPORT

The Southern Baptist Home Mission work must continue through increased contributions to the Cooperative Program and the Annie Armstrong Easter Offering. Actually, at this time, operating costs have increased by six per cent while offerings have increased by only three per cent. The reduced funds have slowed the appointment of qualified persons, although the persons themselves are available and ready to serve. This same financial strain has also forced the use of low-cost facilities and combined church fields.

1971 Home Missions encompassed many areas of work and confronted many of the problems which dominated the news. For instance in the wake of Hurricane Fern which hit the Texas Coast, the Board contributed one thousand dollars in relief, and fifty thousand dollars was given to the California area recovering from the February earthquake. Nine hundred nine Southern Baptist ministers served as chaplains in the military.

Several areas of work are under study, evaluation, and experimental programs. Each has its importance in assisting churches and associations in training and in preparing for tensions and opportunities which accompany changes.

Other older but important areas of Home Mission work include television and bus ministries, church loan services, language work, interfaith witness, pioneer missions, and associational services. Each has its place of important service to the Kingdom here in America, and each depends on our continued and regular financial and prayerful support.

Mrs. Dearl Bunce

STATE MISSIONS REPORT

The churches are on mission to people under the Lordship of Christ—Matthew 28:19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching, and counseling the deaf.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

Respectfully submitted,
Mrs. R. C. Foster

HISTORIAN'S REPORT

In compliance with a resolution passed at the 1959 session, the report of the historian since that date has been a history of the host churches. Therefore, since a history of the Greenwood church was given in 1960 and a history of the Hillside church in 1970, a history of these churches is not being repeated at this session.

My brief report will deal with the life work of the Rev. Henry Sheets, who can be truthfully termed one of the leaders, if not the leader, in the association for a period of 41 years. He was born December 15, 1843, and died September 30, 1917. He was ordained to the ministry September 23, 1887. Just a few days before his death he had served as clerk of the association. In the 1918 minutes some one-half page was devoted to his life work. Following are some of the highlights of his life.

For 41 years he labored in the Liberty Baptist Association in many capacities, chiefly as pastor of the churches. At the time of his death there were

26 churches in the association. He had been instrumental in the organization of many of them.

With few exceptions he had served as pastor at all of them, and at some of them several times. He was never pastor of the Lexington church, but he was the leader in the organization of the church.

Beside the churches in the Liberty Association, he served as pastor in churches in all the surrounding counties.

During his 41 years of service, he was pastor of churches 20 or 25 miles from his home in Lexington. At times the roads were almost impassable with a buggy and he was forced to ride horseback to some of his appointments.

When we check the minutes of the association, we see that during the 41 years that he labored and lived in it, he was its clerk for 34 years, moderator of the body for five years, and preached the annual sermon four times.

He wrote a comprehensive history of the association, which was published in 1906. In it was included much North Carolina and National Baptist history. He spent time over a period of years gathering and preparing material for the book. For it he never received one penny of financial remuneration.

His footprints made in the mud around the old churches, the tracks made by his buggy wheels, and the tracks made by his horses that he rode to many of his appointments cannot be seen anymore. But the spiritual tracks that he made during his 41 years of labor in the bounds of the Liberty Association will never be blotted out by time.

Books could be written about his 41 years of devoted life; and since no set of the minutes of this the Liberty Association were ever dedicated to his memory, I wish to move that the 1972 minutes of this association be so dedicated and that his photograph be printed on a fly leaf in front of said minutes.

Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director and Brotherhood Director.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Traingin Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election

as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

ARTICLE VIII—Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

BY-LAW I—Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Robert's Rules of Order Revised shall be followed as the Association's rules for conducting its deliberative assemblies.

BY-LAW II—Associational Year

For the purpose of determining the period of time to be covered by the annual reports of the Associational officers and church letters to the Association, the Associational year shall begin September 1st and close August 31st.

BY-LAW III—New Churches

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Committee shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at least thirty days prior to the annual meeting of the Association, its findings and recommendations for Associational action at the next annual meeting.

Section 2. Each church applying for membership in the Association, upon approval shall be received under the watch-care of the Association for a period of one year. Each church received under a watch-care relationship shall submit a quarterly report to the Missions Committee of the Association and also submit the annual Associational letter at the end of the year.

BY-LAW IV—Duties of Officers

Section 1. The Moderator shall preside over the meetings of the body according to the Constitution and By-Laws, appoint the Committee on Nominations at the closing session, shall be chairman of the Executive Committee and be an ex officio member of all other committees. As presiding officer he shall discharge such other duties as may be given him by the Association.

Section 2. The Vice-Moderator shall preside in the absence, or at the pleasure of the Moderator and shall be Vice-Chairman of the Executive Committee.

Section 3. The Clerk shall send annual report forms to the member churches at least a month before the Association's annual meeting; distribute at the annual meeting mimeographed copies of the composite record of the member churches taken from their annual reports; make accurate record of the proceedings of the Association; supervise the printing and distribution to the member churches copies of the minutes within sixty days after the annual meeting; keep in file and turn over to his successor the printed minutes and other records and documents of the Association; and shall be secretary of the Executive Committee.

Section 4. The Treasurer shall receive and bank all funds of the Association in the name of the Association; distribute the same upon instructions from the Association, its Executive Committee or as designated; render a mimeographed, itemized report of receipts and disbursements for distribution at the annual meeting of the Association; keep his books always in shape and available for examination of the Executive Committee or any member of the Association; shall be a member of the Executive Committee, and be a member of the Finance

and Missions Committee.

Section 5. The Historian shall collect and preserve historical data on the Association and its churches, and shall make a written report to each annual meeting of the Association.

Section 6. The Associational Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director, Brotherhood Director and Director of Church Music shall promote their work in keeping with Southern Baptist Standards for their respective organizations, make a written report to the annual meeting of the Association, and serve on the Missions Committee.

BY-LAW V—Associational Missionary

Section 1. The Association shall, when possible and expedient, employ an Associational Missionary. His selection shall be upon recommendation of the Missions Committee and on vote by the Association at its annual meeting, or between the meetings of the Association, by its Executive Committee. He shall be a member of all committees and organizations of the Association in a serving and advisory capacity. The relationship between the Association and its missionary may be terminated by either party upon the giving of reasonable notice.

Section 2. The Associational Missionary shall, under the direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the associational committees and organizations. He shall also make a written report to the Missions and Executive Committees in their quarterly meetings.

Section 3. He may assist the Clerk, by mutual consent, in preparing the composite record of member churches taken from the annual reports, and in preparing the annual minutes of the Association.

BY-LAW VI—Annual Reports

The persons to bring reports to the annual meeting of the Association shall present the same in writing for inclusion in the printed minutes upon adoption; these reports to be limited to 250 words each.

BY-LAW VII—Trustees

The Trustee's duties shall be to hold title to the property for the Association and to handle the legal matters of the Association with the Association's foreknowledge and approval; and to comply with the Constitution and By-Laws of the Body, and with state laws as they affect the Association. The trustees shall be responsible for keeping the property in good state of repair at all times, but shall not exceed expenditures of more than $500.00 on any major item without approval of Association.

(5) To fill vacancies which may occur between annual meeting of the Association on Committees and among persons to bring annual reports which are nominated by this Committee on Nominations.

After their election one new member shall be elected each year to serve for a period of four years. It shall supervise and work with the Associational Missionary in promoting the work of the Association, and lead and assist in organizing new churches.

(2) It shall meet once a quarter to receive a written report from the Associational Missionary and make helpful suggestions to him concerning his work.

(3) If advice is sought, it shall advise any group seeking to organize a new church, or seek to help any member church desiring assistance in its problems.

Section 10. THE COMMITTEE ON CIVIC RIGHTEOUSNESS:

This Committee shall be composed of three members, whose duty it shall be to keep the Association informed of matters pertaining to civic righteousness and public morals, with special reference to petitions requesting the licensing of the sale of alcoholic beverages within the area covered by the churches of the Liberty Association.

BY-LAW IX—Amendments

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual

Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well defined program of Southern Baptist work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).
2. Present a budget to the Association based on the finances pledged.
3. Present detailed specifications as to when, where, and how finances shall be distributed.
4. Inform member churches of their record of giving.

EXECUTIVE COMMITTEE REPORT

During the associational year of 1972-1973 the Executive Committee of the Liberty Baptist Association met as perscribed by the constitution for the purpose of reviewing the work, and taking necessary action to insure continuing support for the organizational programs and committees in the total associational structure. Reports of the organizations and committees were presented. A summary of the meetings, with significant items of business being pointed out is hereby submitted: November 6, 1972, 1st meeting.

The meeting was opened with scripture reading and prayer by the moderator. This was followed by the presentation of the minutes by the clerk and the Treasurer's report. The W.M.U. Director, Mrs. James H. Camp, noted in her report that Baptist Women had shared in the observance of the World Day of Prayer with approximately 75 women being present.

The Missionary welcomed the Rev. John Hawkins of the Stoner's Grove

Church to our Association.

Announcements included the R.A. Banquet at Reeds on November 11, "M" Night at Lexington First on November 27, and the Associational Lay Evangelism School planned for October 22-25, 1973.

The Moderator appointed the Associational Nominating Committee as follows: James Beck, Chairman, Dewitt Adams, Hildebrand Morgan, Mrs. Robert Cook, and the Rev. E. W. Clapp.

January 15, 1973, 2nd meeting.

The meeting was opened with scripture, prayer, and the singing of hymns. The treasurer's report called attention to the remaining indebtedness on the missionary's home, which had been reduced to less than $3,000.00.

The W. M. U. report by Mrs. Camp emphasized plans for enlargement and growth. The Rev. Melvin Greene reported on the World Missions Conference, noting that records showed there were 23 conversions and several missions volunteers, in addition to 188 other decisions.

The Missionary emphasized the One Night Sunday School Revivals being promoted by the Sunday School Department of our State Convention.

The latter portion of the meeting was under the direction of the Rev. Dearl Bunce, the Associational Vacation Bible School Director. He conducted a Vacation Bible School Pre-clinic, with materials and information being shared with representatives from the churches.

April 16, 1973, 3rd meeting.

Following a devotion and a period of special prayer for pastors and other leaders who were hospitalized, the usual reports were considered. Again, the Treasurer's report indicated that contributions to associational work were increasing over earlier years.

A report from the Nominating Committee was approved which recommended that the Rev. Larry Phillips be elected as Evangelism Director for the Association. He replaced the Rev. Joe Seay who had moved from our association to South Carolina.

The Missionary reported that there had been communication with the Wallburg Church concerning the first day's meeting of the 1973 Annual Association. Because of plans for updating their facilities and making an addition to their building, they wished to delay the meeting of the Association with their church until another year. The Missionary had thereby contacted the Southside Church of Thomasville, which was scheduled to host the Association on the day of the first meeting in 1974. By church action an invitation was extended by the Southside Church for the Association to meet with them for the first day's meeting in 1973. Following a motion by J. N. Penninger, Jr., the decision was made to accept the invitation, and schedule a later meeting with the Wallburg congregation.

Discussion of anticipated liquidation of the indebtedness on the missionary's home led to consideration of the possibility of planning for an Associational Office. The Rev. Carl Hemphill made a motion that the Moderator appoint a committee to study the circumstances surrounding the selection of a site and possible acquisition of property suitable for the location of such an office. Following sufficient investigation the committee would report its findings to the Executive Committee. After approval of the motion a committee was appointed. The members are:

Lamar Moore, Chairman ..... (Center Hill)
Gaither Lewis ..... (New Freindship)
James Beck ..... (Rick Fork)
Carl Hemphill ..... (Carolina Memorial)
Morris Hollifield ..... (Jersey)

The Rev. Hemphill, chairman of the Missions Committee, reported that Associational leadership had met and counselled with a group of people from the Floyd Baptist Church who expressed the intention of beginning another church. The Associational Missions Committee was asked to serve in an advisory capacity.

The Moderator indicated that the Teen Crusade held in Thomasville April 6-8 reported 405 decisions.

September 10, 1973, 4th Meeting.

Following a period of devotion by Hoyle Tate, Brotherhood Director, reports were presented with a notation by the treasurer that gifts had increased to make this one of our best years, financially.

The Rev. Carl Hemphill, Chairman of the Missions Committee, reported that his committee had worked with the group who came from the Floyd's congregation in organizing a new church. On June 24, 1973, the organizational meeting was held with 27 charter members for the Faith Baptist Church. The report included the reading of a letter requesting approval to participate in the work of the Liberty Baptist Association. The report was received as information with the indication that the request would be presented for consideration at the annual meeting of the Association.

The Missionary presented copies of the printed program for the Annual meeting. He stressed the Tri-County Deacons' Retreat at Caraway September 28-29, and the Lay Witness School, scheduled for October 22-25 to meet with the Center Hill Church.

A request was presented from the Hillside Park Church for the Ordination Examining Council to examine and request ordination for Douglas Adams. The Council scheduled a meeting for examination at 3:00 P.M., Sunday Afternoon, September 23.

Other matters concerned getting sufficient information from the churches in time to complete necessary reports for the Annual meeting.

Annual church letters have been received from every church in the Liberty Baptist Association. Two were received today and therefore are not included in the statistical report.

Respectfully submitted,
Morris S. Hollifield
Associational Clerk

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association met in a called session on March 12, 1973, in the office of the associational missionary in Erlanger. Carl Hemphill, Chairman of the Missions Committee, presided, and Melvin Greene led in the opening prayer.

The purpose of this meeting was to bring all members of the Committee up to date on the situation at Floyd Baptist Church. The group which pulled out from the church discussed with the Missions Committee possibilities for the location of a new church. Dothan Reece made the motion that we lend our assistance to the organization of the new church "if the church is sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the association." This motion was seconded and passed.

Wayne Tysinger called on April 29 to say that five acres of property had opened up for purchase, located ½ mile from Flat Swamp Bridge on Highway 8. This property is located between the Leonard and Malloy Stores. The chairman of the Missions Committee and the Associational Missionary checked the distance from this property to the other churches, and the decision was made to set a time for the organization of Faith Baptist Church.

The organization meeting took place on June 24, 1973. In this meeting a motion was made by Wayne Tysinger and passed that the Faith Baptist Church

come under the watch-care of Liberty Baptist Association in the Annual Meeting in September. A letter was mailed to Melvin Green, Moderator, on June 24 which said: "Notice is hereby given to Liberty Baptist Association that Faith Baptist Church voted on June 24, 1973, to ask admission into Liberty Baptist Association under watch-care at the Annual Meeting in September, 1973.

The Missions Committee recommends that Faith Baptist Church be accepted under a watch-care relationship in this session.

Respectfully submitted,
Carl Hemphill

BAPTIST HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000—nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite

COOPERATI)VE COOPER—

counseling centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black," and there has not been a general room rate increase in 2½ years. As of this date, the Mother's Day Offerings are running ahead of last year.

WOMAN'S MISSIONARY UNION REPORT
1972-73

After an excellent leader-training workshop at Mundo Vista last fall, our Woman's Missionary Union launched forth in the first year of a three-year emphasis on "Giant Step." "Giant Step" is each WMU seeking to increase by 25% their membership and magazine subscriptions and to have at least one organization for each age level in their church.

A quarterly WMU bulletin, "Liberty Belles," was mailed to each church director announcing associational activities and emphases. The Associational WMU Council met quarterly for planning, coordinating and evaluating the work. Several associational leaders attended the State WMU Meeting in Raleigh in March and WMU Week at Ridgecrest in August.

131 were in attendance at the Annual Spring Meeting at Lexington, First on April 30, 1973. The association was fortunate to have Dr. Thomas Starkes from the Home Missions Board speak on "Sterotypes, Sanctification and Kung Fu."

Mrs. W. L. Martin, Jr. led a Baptist Women's Day of Prayer on November 6, 1972 with Mrs. Gilmer Cross, state WMU President, bringing a report from the North American Baptist Women's Meeting in Toronto, Canada. Baptist Women joined Acteens on June 16th at Calvary Baptist Church for the Associational Prayer Retreat with Miss Martha Franks.

Mrs. James B. Waddell, BYW Director, and church representatives planned a delightful associational BYW meeting, "Let's Get Into the Spring of Things!" It included a covered dish supper at Jersey Baptist Church on April 28, 1973.

Associational Acteens, under the leadership of Mrs. Larry Sides, were busy with a Christmas banquet at Reeds Baptist Church and an ECOBOCO (Each One Bring One, Cultivate One) in March at Carolina Memorial Baptist Church. Dr. Thomas Starkes spoke to 200 Acteens on "The Occult" prior to the Annual Spring Meeting.

Mrs. James Gobble led associational GA activities which included an activity workshop, a Valentine Mother-Daughter Banquet attended by 81 girls and leaders and a Day Camp in the spring for 212 girls.

Woman's Missionary Union is a vital arm of the church. Its tasks are to teach missions, to engage in mission action, to support and create an atmosphere for world missions through praying and giving and to interpret information about the work of the church and the denomination to the local church. It is our goal to have Woman's Missionary Union in every church of our association.

Respectfully submitted,
Mrs. James H. Camp
WMU Director

REPORT OF ASSOCIATIONAL MISSIONARY

Dr. J. D. Grey, long-time pastor of the First Baptist Church, New Orleans, Louisiana, and former president of the Southern Baptist Convention, uses an illus-

tration of one church that reported faithfully to the Annual Meeting of the association:

Amount given to Cooperative Program 0
Amount given to local missions 0
Number of baptisms 0
New people enrolled in Sunday School 0
No Church Training, W.M.U., or Brotherhood .....
Number of weddings in church 0
Deaths among church membership 0

P. S.—"Brethren, pray for us that we may be able to hold our own!"

There may be some churches in our association that have had similar feelings during the past year. Satan, either as "an angel of light" or "as a roaring lion, seeking whom he may devour" continues to use devious ways to break fellowship, create confusion, and stifle growth among God's people. A large segment of the missionary's time this past year has been used in trying to cope with internal matters, and II CORINTHIANS 11:28 which says, "that which cometh upon me daily, the care of all the churches," has come alive once again.

I have had opportunity to be in every church except one for at least one service during this calendar year, and I will be preaching in that church on October 14. In addition to regular preaching services, I participated in two deacon ordination services, two preacher ordination services, Anniversary services at Erlanger and Summerville, taught GALATIANS nine nights in three different churches, taught the Adults in Vacation Bible School for one week, and have given assistance to six of our churches as they looked for a pastor, supply preacher, or interim pastor.

The projects that have been promoted on an associational level have been: World Missions Conference (27 churches participating); Church Training "M" Night (590); R.A. Banquet (119), Track Meet, Boys' Rally, Camp-out; Associational Youth Night (250); One-Night Sunday School Revival (243); Vacation Bible School Clinics (227); and the distribution of State Mission materials. I spoke each night in the World Missions Conference in the Randolph Association and spoke on Sunday in the Missions Advance Week-end in the Montgomery Association.

Attention is being given now to the Lay Evangelism School, October 22-25; Church Training "M" Night in November with Ronald Hill, Thailand, as speaker; and I am serving as Co-chairman of the Davidson County Christian Action League.

This has been the best year financially in the history of our association, with every church contributing except one. Every church had a Vacation Bible School except one. Fifteen churches will be sharing in the Lay Evangelism School. I would like to express the deep appreciation of my family and myself to the Jersey Church for the special recognition given to me on March 31 at a "This Is Your Life" service at Linwood School. Thank you again for the privilege of serving as your missionary.

Respectfully submitted,
Leonard Rollins

CHRISTIAN HIGHER EDUCATION REPORT

In North Carolina, Baptist Colleges and Baptist Churches work together. Most of our pastors, missionaries, church staff members, and denominational leaders are educated in Baptist colleges. Another example of church-college relationship is the Baptist Youth Corps, which provides dedicated student leadership in more than eighty North Carolina Baptist churches in the summer of 1973.

North Carolina Baptist colleges are grateful to our Baptist churches for the support they receive through the Cooperative Program. During 1973, more than two million dollars were given to support Christian higher education.

The colleges make a special effort to recruit North Carolina Baptist students. No qualified student is turned away for the lack of money. The churches help make this possible through the Cooperative Program and Baptist College Scholarship Offering on Father's Day. Churches can help our colleges by encouraging interested young people to apply for enrollment in one of our seven Baptist colleges.

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and colleges as together they help create persons and a world as Christ would have them.

SUNDAY SCHOOL REPORT

There is no greater task in our churches today than that of faithfully teaching the Biblical Revelation. Missions, music, administration, training all play a vital part in our churches, but if we fail to have a dynamic Bible teaching program-then we will surely fail.

It is not any easy task to witness, visit, teach and cultivate people for Christ in an effective way, but it is essential to the life of our churches. Jesus said "Go ye . . . ", "Behold a sower went forth to sow . . . ", "Launch out into the deep . . . "

We know that the people are out there, but until we get ready to go into action, we will not reach the multitudes.

I believe there is no substitute for a vital life inspiring program of teaching God's Word and I believe this is done best through Sunday School or Bible Study periods.

It has been carefully pointed out that 90% of all church members come through the Bible teaching efforts of our Sunday School. Today the ratio of those not enrolled in Sunday School is 1 out of 242 won to Christ. In contrast to this those enrolled in a Bible teaching program are won to Christ at the ratio of 1 out of 3. This should make us double our efforts in the one for one emphasis. The compaseionate yearning of Paul for the salvation of his people is sharply revealed in Romans 9:1-3. A true revival of Christian concern could conceivable unstop the ears of the multitudes now deaf to the Gospel and make their hearts receptive to our witness.

I trust you will cooperate with Mr. John Pace as he leads us in our Sunday School associational work for the year 1973-74.

Respectfully submitted,
Charles L. Tanner.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT

This association has been a pioneer in child care since the founding of Thomasville Baptist Orphanage by John Mills in 1885. We are proud of its support and growth. One thing we would stress to our members; it is no longer an orphanage, but an agency. We maintain group living homes and cottages in Kinston (Kennedy Home), Chapel Hill (Greer Home), Wallburg (Wall Home), Thomasville (Mills Home), Waynesville (Broyhill HOme), and a Maternity Home for un-wed mothers at Asheville. Foster Homes and Regional Casework Centers are scattered across our state.

You that are familiar with the Baptist Children's Homes know that our state is divided into three areas—Eastern, Piedmont, and Western. This enables us to keep our children and services centered in familiar territory. We, being in the Piedmont, are particularly interested in the Wallburg Home and Mills Home. Wallburg Home is again open for a group of boys needing special attention under the care of house-parents with special skills in an out-door adventure program. Mills Home has a new administrative organization in which twenty cottages will be divided into four groups of five cottages each. Each unit will have a director, two social workers, and the cottage personnel, working to provide closer relationship between children and staff members.

With the familiar cost of living on the rise, we urge each of you to continue supporting our efforts with your prayers and your gifts. The average cost per child

last year in group care was $600 for food, clothing, and health. This, as you well know in your home, is on the rise rather than standing still.

We would site you those in your church or neighborhood reared at Mills Home or any of our other homes, as living examples of what your love, prayers, and gifts have accomplished in the past with dependent children. At this point let me get personal. We owe you a debt of gratitude and service for the years you cared for us when we were unable to care for ourselves. You provided a home for us and gave us a high school education. Both my wife, Bonnie, and I shall ever be grateful for the care provided us by you. God in His wisdom caused you to share in our lives. Thank you for caring!

Respectfully submitted,
Franklin Bailey

BAPTIST HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20 per cent of the total income of the Homes, and through the Cooperative Program, you gave 10 per cent of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for the Homes, visit them, and continue to support this ministry as liberally and loyally in the future as you have in the past.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is a fellow workman with the Southern Baptist Convention in the Great Commission. The heartbeat of the Bible Societies is the

provision of the Scriptures to all men in his own language and at a price that is not a burden.

"Let the Word Speak" is the theme upon which the Bible Societies have built a developmental program of Scripture Literacy Selections to combat the rapidly mounting global literacy growth rate. The Selections will be available in 100 languages.

Presently, almost 97 percent of the world's people can secure, in their own language, at least one Book of the Bible and approximately 3,000 translators are at work on some 600 new translations and revisions. At the end of 1972 at least one Book of the Bible had been published in 1,500 languages and dialects—the complete Bible in 225.

During 1972 the American Bible Society:

- distributed 121,122,596 copies of Scripture within the United States, a 34.4 percent increase over 1971
- supplied 53 per cent of the 1972 United Bible Societies' World Service Budget, thereby providing over one-half of the year's total distribution of 218,429,595 Scriptures.
- published and distributed thousands of copies of Scripture in other familiar versions: King James and Revised Standard.
- provided 704,849 copies of Scripture for the blind in special format—Braille, records, tapes and cassettes.
- opened a new Southern regional distribution office in Atlanta, Georgia.
- published "Wisdom for Modern Man: Proverbs and Ecclesiastes" (TEV) and the "Jesus" book for the January Bible Study needs throughout the Southern Baptist Convention.
- made thousands of Scriptures available to the Southern Baptist Convention for Key '73.
- invited Miss Alma Hunt, Executive Secretary, Woman's Missionary Union SBC, as a delegate to the first United Bible Societies' World Assembly in Addis Ababa, Ethiopia, in September 1972.
- provided and distributed 2,196,844 copies of Scripture at Explo '72 during June, 1972.

During these past six years Southern Baptists have led all other U. S. denominations in their gifts to the American Bible Society. Following is the record of SBC gifts in recent years:

1969	$232,765
1970	$233,185
1971	$240,249
1972	$233,752

Has YOUR CHURCH given this year? Please send all gifts from your church to your State Baptist Convention office, marked "for the American Bible Society."

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff

members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13 Checks" are paid in addition to the regular monthly benefits.

Participants in Plans A-10, A-11, and A-25 on January 1, 1973, had their accrued credits increased by 10 percent in "good experience credit," and Plan B participants received an additional interest credit based on the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973, and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child, or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age of death. This benefit is payable to those who died January 1, 1973, or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross–Blue Shield to the new plan begun January 1, 1973, with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investments results in 1972 on funds held to pay benefits account for this dividend. Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

As of June 1, 1973, in Liberty Association 29 churches and the Association were participating in the Retirement Program.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc. is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. Through gifts of property, cash, or securities, donors and/or other beneficiaries can receive

annuities from the Foundation and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

At the fiscal year ending June 30, 1972, the cost or inventory value of all securities, notes and principal cash of all funds being administered by the Foundation exceeded $713,560.00 (real estate not included). A total of $105,531.08 has been paid to Baptist institutions, agencies, and causes during the past five years from the income of invested Foundation funds.

For information relative to establishment of a trust fund or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact the North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611, or telephone: 919-833-1605.

FOREIGN MISSIONS REPORT

The sending and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1972 the Board had an overseas missionary staff of 2,507. This included 174 missionary associates, 2 special project medical personnel, and 128 missionary journeymen. Appointments during the year totaled 171 (83 career, 11 associates, 66 journeymen, 2 special project medical workers, and 9 career reappointments).

Missionaries are under appointment to 76 geographical or political entities. During 1972, missionaries began work in Barbados and neighboring islands as well as in Athens, Greece, with an English-language congregation.

Underlying all missionary endeavors is the ultimate purpose of leading people to new life in Christ and the cultivation of New Testament churches. Organized churches with which missionaries are related on mission fields now total 6,554, of which more than 75 per cent are self-supporting.

The program of evangelism and church development includes many types of ministry: radio and television, English-language churches, lay-leadership training, stewardship promotion, camps and conferences, work with women, men and youth, music, and religious education.

The training of national leaders is a prerequisite to strong indigenous churches. Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. The new Baptist seminary in Portugal graduated its first class in 1972. Vietnamese and Brazilians held special lay leadership schools.

Publication ministries continue to grow with publishing centers in 25 lands assisting in producing over 23 million pieces of literature.

The program of hospitals and medical care, provided by missionaries and national workers, treated nearly 55,000 inpatients and saw more than 890,000 outpatients during 1972. Construction for two new hospitals was completed in Bukittinggi, Indonesia, and Bangalore, India, and a full-time physical therapy facility opened in Gaza.

Benevolent ministries include agricultural programs, good will and community centers, children's homes, and direct relief work.

At the end of 1972, Southern Baptists' contributions for foreign missions totaled $35,439,514. The 1972 Lottie Moon Christmas Offering goal was $18 million—an increase over the $17,833,810 contributed (as of May, 1972) through the 1971 offering. Churches in Liberty Association contributed $35,726.68 to the Lottie Moon Christmas Offering in 1972.

Respectfully submitted,
Mrs. J. H. Camp

HOME MISSIONS REPORT

Dr. Arthur B. Rutledge says: "The people of the nation hunger for values, meaning in life, purpose, and for God. Southern Baptists are committed to meeting these needs, to make disciples of all persons through faith in Jesus Christ."

An effective, well-trained mission force, for the most part supported and supervised in cooperation with the state mission boards, serves in all fifty states, Panama, and Puerto Rico. For the third year this force remained at 2,200, not because of a lack of volunteers, but because inflation cut away at the agency's ability to finance a larger number. More than 150 qualified workers have contacted the Board for appointment, but funds are not available.

More effective ways to conduct missions in the United States through volunteers and with no increased funds continue to be found by the Home Mission Board. The laity have become the key force within the three major emphases of the Board: evangelism has activated a force of more than 125,000 lay evangelists through the lay evangelism schools; Christian social ministries depend 90 per cent on the volunteer for their work; and church extension enlists the lay person to lead in Bible fellowships in homes.

Through a special over-and-above offering in the Annie Armstrong Easter Offering and through allocations from the Cooperative Program, the Division of Evangelism in April launched "Spring Street, USA," the denomination's first evangelistic TV variety program.

The student summer missions force in 1972 totaled 1,002, of which 350 were sponsored and supported by state BSU's.

More than 1,000 churches received counseling from personnel of the Division of Church Loans which processed during the year loans to 237 churches for more than $9.4 million. In addition, about 100 churches were aided in securing loans from other institutions.

The Department of Language Missions, which supports more than 1,000 missionary personnel in cooperation with the state conventions, started work during the past year for the first time with Arabs in the Northeast and with Yemenites and Samoans in California.

We should agree with Dr. Rutledge that, "It may well be that the most significant challenge of our time is the challenge to help claim America for Christ to a degree never before true. What happens in and through the churches of this land has supreme significance, humanly speaking, in the programs of the missionary causes around the world."

Respectfully submitted,
Mrs. Leonard Rollins

STATE MISSIONS REPORT

State Missions is a church expressing an interest in World Missions. North Carolina Baptists provide approximately one-tenth of the financial support for Southern Baptist world missions, which not only begins at home, but is dependent on the strength of the churches at home.

The 1973 State Mission goal was $500,000. The first $250,000 went to the aid of the ongoing programs of State Missions which include Fruitland Baptist Bible Institute, Campus Ministry, Evangelism, Cherokee Baptist Child Care Center, Camps and Assemblies, Cooperative Ministries with General Baptists and forty-five other statewide ministries. All money above $250,000 will go toward the construction of the Caraway Conference Center, a leadership training center to be located at Camp Caraway, to provide for conferences, seminars, retreats, etc.

Associational Missions is also related to State Missions. In 1973 $75,000 state missions money will go toward associational mission projects. All total, fifty-six of the eighty North Carolina associations receive some financial support from state missions. State, Home, and Associational Missions are cooperative ministries which reflect the best stewartship of Baptist money.

In North Carolina, two-thirds of each home mission ministry is actually financed by State Missions. When you support State Missions you are giving to a wide range of mission projects across the state, even though they may not be labelled "State Missions."

You are State Missions, praying, giving, and witnessing. "A Church that cares is a Church that shares."

Respectfully submitted,
H. Dean Harrold

CHRISTIAN LITERATURE REPORT

Many in our churches remember when 20 percent or more in our congregations could not read. That has all changed through the educational explosion of this century which is still expending energies in our midst. You are now a part of the first literate generation in the history of the world, and people are reading more than ever.

It is a time when the distribution of Christian literature should be expanded. Churches simply must consider it a part of their ministry to their people to provide constructive literature which will keep them informed. A network of state Baptist news magazines like the BIBLICAL RECORDER makes the difference between a growing and informed denomination of Christians, and a stalemated one. Wise is the church which understands this and adequately provides for its people.

This has been a good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached this past year was the passing of the 100,000 mark in circulation. This occurred in May, and at the present time the BIBLICAL RECORDER is being received in more than 105,000 Baptist homes in our state. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money as well as time and effort which is put forth each year in renewing subscriptions under the club plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest

news magazine possible, one that is attractive and filled with interesting and helpful material.

As you know, the RECORDER has for years led the fight against liquor-by-the-drink. Now the issue is up to the people in a state-wide referendum on November 6. The RECORDER will continue to give you information to help win this fight against the liquor interests and those who would profit from liquor-by-the-drink if this should pass. If individual Baptists would become as concerned about this evil as the BIBLICAL RECORDER is, a great victory for decency would be won.

Those of you who receive the RECORDER know what it contains each week. Timely editorials, news of your fellow Baptist churches, excellent photographs and covers, interesting personal columns, letters to the editor, and many other features are all there regularly. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who do not get the RECORDER should subscribe immediately, either by putting it in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little!

Respectfully submitted,

HISTORIAN'S REPORT
submitted by Sam J. Smith
Historian, Liberty Baptist Association

In compliance with the resolution passed at the 1959 session, the report of the historian since that date has been a history of the host churches. The following reports are hereby submitted:

SOUTHSIDE BAPTIST CHURCH HISTORY

In 1913, members of the First Baptist Church, Thomasville, began work on a mission in the southside area of Thomasville. On June 19, 1913, the Amazon Mission was organized with 24 charter members. Among these charter members are: Mr. and Mrs. Solomon Petree, Mr. and Mrs. Allie McKoin, Mr. and Mrs. Willie Byerly, Mr. and Mrs. Thad Byerly, Mr. and Mrs. Earlie Byerly, Adie Hill, Ed Beck, Stokes Basinger, a Mr. Sebastina, Mrs. Mudy Beck and Ada Scarlett. The first teachers of the Amazon Mission were: Miss Sallie McCracken, Miss Turner, Mr. R. S. Green and Mr. L. E. Teague.

Land for the first church building was donated by Mr. Solomon Petree, and the first church was the original building of the First Baptist Church—being moved to the forks of Fisher Ferry Street and Bryan Road. Several additions were made to this building over the years.

In 1920, the Amazon Mission, now known as the Southside Baptist Church, applied for membership in the Liberty Baptist Association. A committee composed of J. S. Hardaway, S. W. Wall and J. C. Gillespie was appointed to examine into the eligibility of the church for membership. The committee unanimously recommended that the church be received into full membership. The report was adopted and thus the Southside Baptist Church became a member of the Liberty Association.

The Reverend G. A. Martin, Reverend Morton, Reverend Chambers and Reverend C. E. Crissman were the first pastors of Southside. In 1920, Southside held a membership of 27, with an enrollment of 65 in Church School. Worship

services were held 1st and 3rd Sundays.

In 1924, Southside secured a new pastor—the Reverend E. W. Byerly. The Church School had a membership of 177 pupils, 13 officers and teachers. The church membership was 74. This year, Reverend Byerly held worship services every Sunday.

In 1926, the Reverend E. C. Roach came to Thomasville to serve as pastor of Southside Baptist Church and Oak Hill Church. Worship services were then held the 2nd and 4th Sundays of each month. The church was steadily growing and by 1928, held a church membership of 101.

In 1929, the Reverend L. A. Connell served as pastor.

In 1930, Southside acquired another new pastor, the Reverend R. L. West. Once again, services were held every Sunday. Church membership increased to 132. Church School had an enrollment of 222. This year, Mrs. R. L. West organized the Women's Missionary Society. A pastorium was purchased this year, valued at $3,000.00, bringing the total value of church property to $5,000.00. Sometime during 1934, Reverend and Mrs. West moved on in their great work for the Lord, and in 1935 and 1936, Reverend N. C. Andrews, S. J. Erwin and Clyde Eddinger served as supply pastors.

In 1937, the Reverend W. C. Darnell came to Southside. Church membership was 121, and church school enrollment was 233.

In 1939, the Reverend N. F. Britt accepted the duties as pastor of Southside.

In 1941, the Reverend S. G. Snider came to Thomasville. Church membership was 132, Church School enrollment was 204.

In 1943, a house was purchased next to the church on Fisher Ferry Street to serve as pastorium. It was in 1943, that the Reverend Thomas B. Flowe came to Southside.

The Reverend S. D. Baker came to Southside in 1947. Southside continued to grow and by 1952, the old church had been outgrown, and work started on the new church building. Soon, this brick church here was completed, and there was only $22,000.00 indebtedness. This was extinguished by 1956.

In 1953, the Reverend Fred Jurney began his ministry here. The membership had grown to 420 and an enrollment in Church School of 455. Thus work started on the building fund and in 1962 a three story construction was joined to the church building.

Also in 1962, the old church property and pastorium was exchanged for a six room brick home at 729 Rosedale Drive for the new pastorium.

Reverend W. A. Knight came to Southside in 1964. He resigned in 1967, and Dr. R. C. Foster served as supply pastor.

In 1967, the Reverend E. W. Clapp began his ministry here. Church membership had grown to 458 and 238 in Church School. In June 1973, Reverend and Mrs. Clapp moved on in their great work for the Lord, and in July 1973, the Reverend Eugene Elmore began serving as supply pastor.

THE HISTORY OF COGGINS MEMORIAL BAPTIST CHURCH

On September 30, 1936, Mary Beck Coggins wrote in her last will and testament these words: "I wish to bequest $1,000.00 for a church, and a Baptist Church on this end of town as I feel there will be one sometime. I would like for it to be

named Coggins Memorial. I also wish my house I now live in to go for a parsonage for that church."

In addition to the will dated December 4, 1946, there appears these sentences, "I also bought some lots from Mr. Fritts in front of my house to go for a Baptist Church, also two thousand dollars toward building it. I want it to be a brick building."

Coggins Chapel was established as a mission of the First Baptist Church of Lexington, N. C. on March 13, 1949 and met in Mrs. Coggins's former home at 1307 South Main Street. The mission which continued until August 5, 1951, experienced good growth and the blessings of God. At that time the First Baptist Church and the Chapel Committee felt that it was ready to be an independent Southern Baptist Church.

The church was constituted on that date, August 5, 1951, with 65 charter members and named Coggins Memorial Baptist Church. The church covenant and New Hampshire Confessions of Faith were read and accepted, and the first pastor, Rev. J. W. Dickens, was called. The first officers of the newly-formed church were: Edgar Bridges, treasurer; H. M. Byrd, W. O. Beck, and Bill Brigman, trustees; Lionel Wall, church clerk; Waldo Beck, Foley Coleman, Thurman Fritts, George Hicks, Terry Lowery, Conrad Lyon, Troy Mitchell, and J. G. Stiers, deacons; and Thurman Fritts, Sunday School Superintendent.

On September 6, 1951, the church voted to make application for membership into the Liberty Baptist Association. The application was made and the church was accepted into the association.

Rev. J. W. Dickens served the church as pastor from September 16, 1951 until March 23, 1952. During these months God blessed us in a mighty way. The church held a groundbreaking service for its first building on March 23, 1952 and construction was begun. Mr. Thurman Fritts was employed to supervise the work, the majority of which was done on a voluntary basis by the members of the church.

The sermon that Rev. Dickens preached on the groundbreaking day was the last for he passed away on May 23, 1952 as a result of injuries he received in an automobile accident.

On June 1, 1952, a pulpit committee was appointed by Mr. Foley Coleman, chairman of the board of deacons, and on June 8, 1952 a call letter was issued by the church to Rev. Leonard Rollins. Rev. Rollins accepted the call and became the full-time pastor, preaching his first sermon on August 3, 1952. Until this time the church had been holding part-time worship services conducted by Rev. R. N. Hardin.

On Feburary 15, 1953 the first service was held in the new church building. That same year the house on South Main Street was remodeled to be used as a parsonage. The new building, valued at $55,000.00 was constructed at a cost of $31,000.00.

Rev. Rollins continued as pastor of Coggins Memorial Baptist Church until March 15, 1963. He resigned at this time to become Associational Missionary of the Liberty Baptist Association. He had led the church for almost eleven years in a fine and dignified manner. Under his leadership the church membership grew from 95 to 276, Sunday School enrollment from 217 to 312, and the yearly budget from $3,075.00 to $11,975.00.

On March 10, 1963 the church approved the recommendation to call Rev. E. C. Roach as interim pastor. Rev. Roach served until January of 1964 at which time Rev. Richard Chapman accepted the full-time pastorate.

On Homecoming Day, August 2, 1964 the church held its first note-burning ceremony which left the church with only one note to be paid. On Sunday morning

August 1, 1965 the final note was burned. This made the church free of debt three years before it was due.

On August 22, 1965 the church approved the recommendation to borrow $14,000.00 to purchase another parsonage on Harrington Avenue beside the church. On September 26, 1965 it was voted to accept $10,500.00 for the old church property on South Main Street which had been used as the parsonage, and apply it to the loan that had been approved on August 22, 1965 for the purchase of the present parsonage. On February 5, 1967 a note-burning was held again leaving the church free of debt. Under the leadership of Rev. Chapman the church had paid $25,000.00 in debts in three years.

On July 17, 1968 Rev. Chapman submitted his resignation to be effective on August 20, 1968. He had accepted a call to a mission church in Kokomo, Indiana. During his ministry the Sunday School average weekly attendance increased from 115 to 130, and the annual church receipts from $11,975.00 to $25,000.00. The contributions to missions more than doubled, and 143 new members were added to the church. He also served actively in the Lexington Area Ministerial Association, as president of the Liberty Baptist Pastor's Conference for one year, and as clerk of the Liberty Association for three years.

On August 28, 1968 Rev. Horace Barefoot was called as interim pastor. Rev. Barefoot served through June of 1969 at which time Rev. Dearl L. Bunce I was called to serve as pastor. He began his pastorate on July 1, 1969.

Under Rev. Bunce's leadership the church has continued to progress. The Bible Teaching (Sunday School) average attendance has increased from approximately 110 in 1968-69 to approximately 220 in 1972-73. A combined total of 255 new members have been received into the church during this time. Six home fellowship Bible classes are presently functioning and an officers and teachers training session is held each Wednesday night. The Wednesday services of prayer and Bible study and choir practices have averaged around 200 for the past two years.

The Vacation Bible School at Coggins has shown considerable growth during the last four years, the total enrollment having climbed as follows: 1970, 245; 1971, 310; 1972, 610; 1973, 956. A mission Bible school, led primarily by our youth, was conducted during the summer of 1972 with an enrollment of 250.

Also a strong youth program has been initiated during the past three years. The total youth enrollment (ages 12-17) under the capable leadership of many has reached a total of seventy. A traveling choir with a total membership of forty-six holds and leads in week-end revivals. This group, called "The Sparks", has made a record and is anticipating another.

Total receipts and missions expenditures have also increased. Receipts have increased from $25,000 in 1969 to $55,592.00 in 1973. Mission expenditures have increased during the same period from $2,862.00 to $7,627.00.

Also the physical equipment is continually being improved. The first floor of the sanctuary building was renovated in 1971, two parking lots were paved at a combined cost of $6,000.00, and in addition a new educational building (90X55) was completed last year at a total cost of $80,000.00. It provides space for our preschool and childrens and youth divisions. A modern, well-equipped kitchen and fellowship hall are included. The preschool division is equipped for a day-care program and new equipment has been purchased throughout the building.

A bus ministry was started in 1970 and two buses purchased. Although the Sunday morning bus attendance is not too great, the Wednesday night Bible study bus attendance is good. In connection with the bus ministry, a Children's Worship was begun in 1972.

At the time of the writing of this history, September 20, 1973, the church as

led by Rev. Bunce is enthusiastic about the great potential and opportunities with which God has blessed us. Church leaders are praying and making plans for the future and implementing programs to put these plans into action. The future, we believe, belongs to God; and those who follow Him need not be afraid of what it holds. We are going on with the tasks to which He has assigned us. It is our prayer that He will use us in our particular place of service.

As we look back on these twenty-four years of opportunity, let us look ahead to many more years of service in His name.

Respectively submitted,
Mrs. Pansy Wall
Mrs. Nancy Leonard

Constitution

(Adopted September 29, 1954-Revised October 1, 1969)

PREAMBLE

We, the Baptist Churches of the Liberty Baptist Association, unite according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following Articles:

ARTICLE I—Name

The name of this body shall be the Liberty Baptist Association;

ARTICLE II—Membership

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may

receive churches or reject churches according to its Constitution and By-Laws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III—Meetings

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV—Composition of Meetings

Section 1. The official voting body shall be composed of messengers from the member churches as follows: Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction thereof above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V—Officers and Their Elections

Section 1. Officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Secretary of Church Music, Historian, Superintendent of Evangelism, Sunday School Superintendent, Training Union Director, Woman's Missionary Union Director and Brotherhood Director.

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (By-Laws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Sunday School, Traingin Union, Woman's Missionary Union and Brotherhood organizations, as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI—Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each in a rotating system. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII—The Executive Committee

This Committee shall be composed of all associational officers, the Associational Missionary (ex officio), each active pastor, church treasurers, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice-Moderator, and Clerk.

ARTICLE VIII—Powers and Privileges

This Association of Churches shall have no power to infringe upon the rights or usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX—Amendments

This Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

By-Laws

BY-LAW I—Parliamentary Rules

Where the Constitution and By-Laws and special orders of the Association do not prescribe otherwise, Robert's Rules of Order Revised shall be followed as the Association's rules for conducting its deliberative assemblies.

BY-LAW II—Associational Year

For the purpose of determining the period of time to be covered by the annual reports of the Associational officers and church letters to the Association, the Associational year shall begin September 1st and close August 31st.

BY-LAW III—New Churches

Section 1. Any church seeking admission to the membership of the

Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and By-Laws of the Association. The Missions Committee shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at least thirty days prior to the annual meeting of the Association, its findings and recommendations for Associational action at the next annual meeting.

BY-LAW IV—Duties of Officers

Section 1. The Moderator shall preside over the meetings of the body according to the Constitution and By-Laws, appoint the Committee on Nominations at the closing session, shall be chairman of the Executive Committee and be an ex officio member of all other committees. As presiding officer he shall discharge such other duties as may be given him by the Association.

BY-LAW V—Associational Missionary

Section 1. The Association shall, when possible and expedient, employ an Associational Missionary. His selection shall be upon recommendation of the Missions Committee and on vote by the Association at its annual meeting, or between the meetings of the Association, by its Executive Committee. He shall be a member of all committees and organizations of the Association in a serving and advisory capacity. The relationship between the Association and its missionary may be terminated by either party upon the giving of reasonable notice.

Section 2. The Associational Missionary shall, under the direction of the Missions Committee, promote the work of the Association and Denomination, cooperating with the churches, their pastors and officers, and the associational committees and organizations. He shall also make a written report to the Missions and Executive Committees in their quarterly meetings.

BY-LAW VII—Trustees

The Trustee's duties shall be to hold title to the property for the Association and to handle the legal matters of the Association with the Association's foreknowledge and approval; and to comply with the Constitution and By-Laws of the Body, and with state laws as they affect the Association. The trustees shall be responsible for keeping the property in good state of repair at all times, but shall not exceed expenditures of more than $500.00 on any major item without approval of Association.

Amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in

regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Ways and Means of Financing the Associational Program

In order to have a sound system of financing the program of the

Association, and in keeping with Section 7, By-Law VIII, the Finance Committee shall:

1. Solicit financial pledges from the member churches as to proposed gifts and ways of giving. (Monthly, Quarterly, Annually).

2. Present a budget to the Association based on the finances pledged.

3. Present detailed specifications as to when, where, and how finances shall be distributed.

4. Inform member churches of their record of giving.

EXECUTIVE COMMITTEE REPORT

Since the last annual session of the Liberty Baptist Association, the Executive Committee has met four times, as prescribed by the constitution, for the purpose of reviewing the work and taking any necessary action to further programs in which our churches are engaged. Reports of the committees, organizations, and the Associational Missionary were presented. A summary of the meetings are hereby submitted, with reference to items of business which were considered.

November 5, 1973, was the date of the first meeting. The meeting was opened with scripture reading and prayer. Reports were presented from those representing the work of the Sunday School, Church Training, and W.M.U. The Evangelism report included a summary about the Associational Lay Witness School held in October at the Center Hill Church. There were 117 people enrolled with 15 churches participating. Six professions of faith were reported from visitation night during the school.

The missionary welcomed several new pastors to the Association. These included:

Rev. George Williamson as interim at Mills Home
Rev. Charles Broome to Southside from Ansonville
Rev. John Gobble to High Rock
Rev. Charles Garner to Floyd

Discussion by several Committee members indicated good prospects for defeat of the liquor-by-the-drink bill scheduled for vote on Nov. 6.

Rev. Dearl Bunce announced that Coggins Memorial had recently ordained Raymond Byrd. He then suggested that all churches included as hosts of the Association for the Annual meetings have their history recorded in the minutes for that year. Following a motion and discussion, this suggestion was adopted.

January 14, 1974, second meeting.

The Moderator called the meeting to order and read from Colossians 3. Following a period of prayer, organizational reports were presented. The Vacation Bible School Clinic for April 2 was emphasized and appropriate materials were distributed.

Concern was expressed for the New Friendship Church in the loss of their pastor, the Rev. James Pernell, who died on New Year's Day.

The Missionary announced the loss of two other pastors. Rev. Inman Stewart retired from Hasty and Rev. Odell Coggins resigned from Hillside Park. Announcement was made of two new pastors coming to the Association. These were Rev. Mike J. Wilkinson coming to Park Place and Rev. Hugh Biggers to the Liberty Church.

Information concerning Seminary Extension Classes at Davidson County Community College was presented. Beginning February 19, two courses were scheduled

to meet for 2 hours each Tuesday evening for eight weeks.

Rev. Leon Keefe called attention to the need for a desk and chair for the Missionary's office. A motion was made to secure these items and authorization for purchase was given.

April 22, 1974, third meeting.

Following a period of devotion led by Rev. Charles Broome, several reports were presented. The treasurer reported that all major bills for the year had been paid. The missionary emphasized that our churches need to continue encouraging strong financial support for our mission program. It was announced that the Lottie Moon Offering goal of 20 million dollars had been exceeded by 1 million. In noting changes of leadership, Mr. Rollins reported that Rev. Charles Tanner had resigned the Abbotts Creek Church and Rev. Leon Keefe had resigned at Erlanger. A report from the Vacation Bible School Clinic, the Associational Youth Night, and the evening classes at the Community College indicated excellent attendance.

A lengthy discussion followed the suggestion from our convention for the pairing of stronger churches with weaker churches in each association in view of sharing information, leadership, and concern for each other. It was decided to wait for any decision until the idea had been considered in detail by the Pastors Conference.

September 9, 1974, fourth meeting.

Lamar L. Moore, Jr., Vice Moderator, presided and Rev. Hugh Biggers led in prayer. Dr. Hargis Taylor, a member of the staff at Chowan College, spoke on stewardship in behalf of the institutions and work of our convention.

Mrs. James Camp included in the W.M.U. report information from the state clinic at Mundo Vista. She also shared plans for the Associational W.M.U. Leadership Clinic scheduled at Mills Home on September 14.

The treasurer reported that all bills were paid and a good balance was on hand to begin the new Associational Year.

The Sunday School Director announced several clinics being conducted by the Associational Sunday School Leadership.

The Missionary recognized new pastors, provided copies of programs for the Annual Meeting, and announced that no recommendations concerning the pairing of churches would be presented at this time.

A motion passed to approve the suggestion of four names to the State Executive Committee for consideration in selecting a Board Member from our Association. The names presented were Rev. Dearl Bunce, Rev. Melvin Greene, Mrs. Robert Cook and Mrs. W. L. Martin.

A request was made for provision to update the Constitution of the Liberty Association. A motion which passed gave approval to the Missionary's suggestion that the Nominating Committee be authorized to recommend a Constitution Committee, subject to approval and election by the messengers in annual session. The Committee would be asked to study the constitution and bring recommendations to the annual session in 1975.

Respectfully submitted,
Morris S. Hollifield
Associational Clerk

MISSIONS COMMITTEE REPORT

The Missions Committee of the Liberty Baptist Association has stayed in touch with Faith Baptist Church during this entire associational year. This church was accepted under a watchcare relationship in our Annual Meeting last year at South-

side Baptist Church. The association assisted in the organization of this new church with the understanding that the church would locate "so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the association." Faith Baptist Church has tried to do this, but found it impossible to secure the property originally approved by our Missions Committee. They have been able to secure 1¼ acres on Shiptontown Road, about 1½ miles off Highway 8. This property is also acceptable to our Missions Committee. The church is working with the Church Building Planning Department of the Baptist State Convention of North Carolina in making plans for the construction of a church building. A ground-breaking service will be held on Sunday, October 20, at 3:00 p. m.

The Missions Committee recommends that Faith Baptist Church be accepted into full membership in Liberty Baptist Association.

Respectfully submitted,
Carl Hemphill.

REPORT OF ASSOCIATIONAL MISSIONARY

In May of this year I attended a National Convocation on the Southern Baptist Association held at Ridgecrest. Some 1300 superintendents of missions and representatives from state conventions, Southern Baptist Convention boards and agencies and local churches looked at current issues and problems confronting Baptist associations. Out of that meeting came what is called "The Ridgecrest Statement," and the opening paragraph says: "The future of Southern Baptist associations is bright and promising." The concluding paragraph says: "Participants in the Convocation leave Ridgecrest with optimism for the Baptist association and enthusiasm for its future." This is my personal conviction about Liberty Baptist Association. Our churches and leaders are helping each other to build a fellowship of encouragement, love, acceptance, and inspiration. Many of our churches are "alive" with the desire to reach people for Jesus Christ.

I have had opportunity to be in thirty-six of our forty-four churches for at least one service during this calendar year. In addition to regular preaching services, I have spoken in two Brotherhood meetings at Victory, a deacon ordination service at Oakhurst, Homecoming at Lick Creek, Senior Citizens at Erlanger, and performed one wedding at Abbott's Creek. I taught the Home Mission study at Wallburg, Lexington, First, Liberty, Churchland, and Welcome, First. I taught COLOSSIANS on four nights at Hasty, the adults in Vacation Bible School at Jersey and Park Place, assisted in Vacation Bible School at Coggins and Mountain View, and taught in a Mission Vacation Bible School in High Point. I will be preaching in revival services at Southside September 30–October 6.

I have given assistance to eight of our churches as they looked for a pastor, supply pastor, or interim pastor. I preached in five services at Summerville during the illness of their pastor. The projects that have been promoted on an associational level have been: Lay Evangelism School (15 churches participated); Church Training "M" Night; R. A. Banquet, Track Meet, and Camp-out; Seminary Extension (62 enrolled); Associational Youth Night (152); and Vacation Bible School Clinics (231). The Associational Sunday School organization has done an outstanding work in assisting churches in leadership training.

Outside the association I spoke at Fork Baptist Church in Davie County for their Christmas in August service; spoke in World Missions Conferences in South Yadkin and Dan Valley Associations; Mission Advance Week-end in Sandy Creek Association; worked in Sunday School Enlargement Campaign in Wilmington Association; spent seven days in Jamaica, West Indies, in preparation meetings for their evangelistic crusade; preached in revival services at First Baptist Church,

Aberdeen, Maryland; and attended Southern Baptist Convention in Dallas, Texas.

In the community I am serving as P. T. A. president of Holt Elementary School in Lexington and as a back-up person for CONTACT. I am serving on a state level for the second year as a member of a special committee to maintain relationships between associational missionaries and state convention personnel.

Thank you again for the privilege of serving as your missionary.

Respectfully submitted,
Leonard Rollins

WOMAN'S MISSIONARY UNION REPORT
1973-74

With "Mission Support" as the theme for the year, Woman's Missionary Union has renewed its tasks to teach missions, to engage in mission action, to support and create an atmosphere for world missions through praying and giving. It has been a year of growth with new age-level organizations formed in several churches.

Approximately 100 attended the Leadership Workshop at Mills Home in the fall. The Annual Spring Meeting was hosted by Carolina Memorial on April 29th with Mr. & Mrs. Zeb Moss, missionaries to Zambia, as guest speakers.

This has been a special year for Mission Friends' work. The goal was better quality teaching of preschool children. Mrs. Johnny Morgan, director, began to accomplish this goal by attending WMU Week at Ridgecrest last August. Mission Friends leaders of First Church, Thomasville were host for a tea on November 18, 1973. Suggestions were given for more effective activity teaching, cultivating prospects and story-telling.

On November 4, 1973 Mrs. James Gobble led Associational GAs in a "Fact, Fun, Fellowship" meeting at Center Hill with 56 girls and leaders representing 10 churches present. A Mother-Daughter Banquet, "Hearts Around the World," was held on February 11th with 232 girls and adults present. A leaders banquet was held on February 25th with Mrs. Larry Sides showing slides of her "Happenings" in Pennsylvania where she was invited to go as part of a state leadership team to teach WMU techniques in that pioneer area of Baptist work.

Mrs. Larry Sides and the Acteen Council planned several associational activities for the year. At Erlanger on December 2, 1973 60 Acteens met to hear Dr. Franklin Fowler, Director of Medical Missions for the Foreign Mission Board. The Annual Associational Acteens Banquet was at Center Hill on March 29th. Mr. Michael Clor spoke to the 94 Acteens and adults.

Baptist Young Women, under the leadership of Mrs. James Waddell, had two associational events. On October 17, 1973 Dr. William Rabil showed slides and spoke on "The Medical Aspects of the Crucifixion" at First Church, Welcome. On March 16th BYW had a covered dish supper at Reeds with State BYW Director, Miss Nancy Curtis, presenting an inspiring talk.

Mrs. Paul Kesler, Baptist Women Director, led the Baptist Women's Day of Prayer at Erlanger on November 5, 1973. Mrs. Leonard Rollins spoke on the theme, "Love in Action."

SUNDAY SCHOOL REPORT

The Sunday Schools of our Churches have been charged by the Southern Baptist Convention, with the awesome responsibility of performing four main tasks:

1. Teach the Biblical revelation.
2. Reach persons for Christ and Church Membership.
3. To perform the functions of the church within its membership.
4. Provide and interpret information concerning the work of the church and denomination.

In addition to these main tasks, there are other tasks which just naturally grows out of the doing of these, and as we do all these things we are ministering in the name of Christ and, we believe, doing it in the way that Jesus would do if he were here on the earth today. For as long as there are men and women, boys and girls who need to study the Word of God, as long as there are persons who need Christ and the fellowship that comes with belonging to the church, and as long as there are Christians who need to be led to worship, witness, educate, minister, and apply Bible Truths, there will still need to be Sunday Schools like those in our churches to accomplish these tasks.

But the mere existence of a "Sunday School" in a church is not enough. It can exist in name and still not be doing the work that it was established to do. It is at this point that we must begin to think about QUALITY in our Sunday Schools, and if we are to keep the quality up in our organization then it must be worked at. It must be planned for. Every leader and worker and member must know what their responsibilities are and they must give themselves conscientiously to fulfilling those responsibilities, and nothing should be allowed to deter us from these tasks. Like a good salesman we must believe in what we have to offer, and then use all proper methods in promoting our product. Each week we should pause to remember that we are teaching and offering to the world "Christ, and Him Crucified" and there is nothing else in the world any more important than this, for mankinds eternal destiny depends upon how well we fulfill our tasks in the Sunday School. Eternally speaking, how well those individual teachers, in your Sunday School do their job, may well determine where a number of people spend their eternity. This should be motivation enough to make all of us more concerned with the quality of the work that is being done on Sunday Mornings.

During this year 1973-1974 our Associational Sunday School has been active in trying to provide leadership for the churches to more adequately fulfill their tasks. Through the ongoing S.S. program in the churches, the special programs of Vacation Bible School, January Bible Study, and other special emphases, the gospel has been proclaimed to those in our churches. I have been very encouraged this year by a renewed interest in Teacher Training programs in our churches and I trust that this interest will continue.

Please remember that the Sunday School also is the outreach agency of the church. Our churches will grow only to the extent that Sunday Schools are evangelistic. But we must go out after these people. We need desperately a revival of concern in this area of our responsibility.

We offer again what help that we can be to promote the work of the Sunday Schools of our Association, in the hope that we can Reach, Teach, Promote, Perform, Provide, and Interpret in fulfilling our assigned responsibilities and tasks.

Let us pray for each other that we may be found faithful to our Christ and to His church.

CHURCH TRAINING REPORT

There is no greater task or privilege for the Christian today than spreading the Gospel story. We as Christians often fool ourselves, however, by thinking that we can accomplish much for Christ with only a little knowledge. Granted we are affective, but how much more affective we could be with proper training under properly trained leaders. Liberty Association is served well by the Southern Baptist Convention through the Church Training Department. Church Member Training, New Member Training, and Church Leader Training are three broad divisions of the Department.

Reflecting upon the year now past, two major events in Church Training stand out in our minds. First of all, "M" Night at the First Baptist Church in Thomasville. The guest speaker for that November 26 meeting was Dr. Ronald Hill, missionary to Thailand. The second outstanding event was Youth Night at Churchland Baptist Church. The guest speaker for that March 16 meeting was the Rev. Larry Phillips, former pastor at Mountain View and presently serving as an associate pastor at the First Baptist Church, Hickery, N. C. There was 152 in attendance at that meeting.

The year "1974-1975" looks to be promising for Church Training. The Church Training Department will be directed by the Rev. Bobby Martin, pastor at Hillside Park, Thomasville. A major event still calendared for this year is "M" Night, November 25, to be held at the First Baptist Church, Lexington. Make preparations now to be present on that night; let's strive to have all 44 churches of the Liberty Association represented.

If men are to be reached for Christ, it is imperative that Christian training be exercised and Christian guidelines followed. If your fellowship is one of the 26 churches in our Association that does not have Church Training, seek guidance NOW so that Church Training might begin through a new perspective for YOU.

Samuel H. Murphy

1974 ASSOCIATIONAL EVANGELISM REPORT

Without apology, the Christian faith is missionary and evangelistic in nature and intent. Christians believe that Jesus Christ is God's supreme revelation of Himself to man and, therefore, we must share him with all men everywhere. It was God Himself who saw fit to become a missionary and evangelist and " . . . to dwell among us." Keeping in mind the thrust of His ministry while here, the mandate to his command "to go . . . ", and the power of His presence that He promised, we can count it a joy to be a part of the total ministry of sharing this good news.

The highlight of our year's evangelism activity was the Lay Evangelism School held October 22-25, 1973. A total of one hundred seventeen persons from fifteen churches participated in the school. Bill Lamb, Director of the Division of Evangelism in Raleigh, assisted by Thurman Fox, Pilot Mountain Association, led the school admirably. Six professions of faith were recorded on the last night as each participant teamed up two by two and went out to share his faith in Jesus Christ! As a result of this week many pastors reported a marked increase in the outreach enthusiasm and concern in their individual pastorates. We are grateful to God for these splendid reports and are looking forward to another school in the near future.

Throughout North Carolina, evangelism in Southern Baptist Churches in 1973-74 has not diminished. In the past thirty months, 11,032 youth and adults have shared in lay witness training from 855 churches and 44 associations.

On February 4-6, 1974, our 28th Statewide Evangelism Conference was held. More than 2,450 participants enjoyed the three-day event as speakers emphasized the excitement of "Sharing His Love and Spirit" in our day. Next year's conference will be held in Greensboro on February 3-5, 1975.

On August 16, evangelist Richard Hogue spoke to a crowd of more than 12,000 youth at the 4th Annual Youth Evangelism Night at the Greensboro Coliseum. Youth from across the state attended as bright faces, wooden "cross" necklaces, one-way Jesus signs, and decisions for Christ were evident in that place. We are grateful to God for the testimony of Southern Baptist young people as they rally to this annual event!

In addition to all the above, great things are happening in our North Carolina churches as the Holy Spirit continually expresses Himself through revivals, city-wide crusades, and personal sharing of the Christian faith. We praise God for the opportunity of being a part of this ministry. May we join hands and hearts as together in Christ we allow Him to accomplish through us His ultimate desire to win all who will respond to a saving relationship unto Himself!

HISTORIAN'S REPORT

Recognizing the valuable information contained in our church histories and realizing the importance of preserving this information for future generations, a recommendation was presented and adopted in 1959, which stated that the historian's report should include a brief history of the churches which entertain the Association each year.

On behalf of the Association, we would like to express our gratitude to Mr. Sam J. Smith, the retiring historian, who has served so faithfully in this capacity since 1961. We would also express appreciation to all of our church clerk and historians for recording and preserving the history of each local church. Our special thanks go to Mr. Jimmie C. Hines, Rev. J. M. Wilkinson and Mrs. Geraldine Hughes for furnishing the information for our report today.

WALLBURG BAPTIST CHURCH HISTORY

(Compiled and updated by Jimmie C. Hines)

for

Liberty Baptist Association Minutes

The Wallburg Baptist Church was organized September 3, 1892. There were 14 charter members. These members drew up a covenant of faith which reads as follows: "That we will join ourselves together as a church of Jesus Christ to worship at Wallburg; that we will contribute of our means as the Lord prospers us by having regular preaching and such other services as will advance His cause amongst us and to provide all necessary comforts and facilities for said purposes, also, to send the Gospel of Christ to every creature as we have ability and opportunity—also to help each other and those the Lord may add to our numbers as well as the poor and needy about us and the fatherless and widows as the Holy Scripture enjoins, that we will not fail to assemble ourselves together at our stated times and at other special times appointed by the church or its officers, that we will observe and enforce discipline as directed in the Holy Scriptures; that we will "submit ourselves together in the fear of God," and in all things to the best of our knowledge and ability obey the laws of our Lord Jesus Christ as given in the Holy Scriptures, executing them in His Spirit and by His Authority in the love and fear of God."

The church was first called "The Church at Wallburg", then the "Church of Christ at Wallburg". Later, it became the "Church of Christ at Piney Grove". Finally, in July 1907, the name was changed to "Wallburg Baptist Church".

The first pastor was Rev. J N. Stallings, then came the Rev. Henry Sheets and Thomas Carrick. E. E. Jenkins was given a recommendation to "lecture in 1907." Rev. O. A. Keller was called to preach in 1910. The Rev. G. L. Kirksey, Frank Hare, E. L. Mumford, Ira D. Ferguson and R. L. West followed in serving as pastor in this

order. Rev. L. J. Matthews led the church during a very trying period in our church history. During World War II, Rev. B. A. Mitchell directed the fellowship at Wallburg. Then Rev. O. W. Rhodenhiser, Rev. Julian Pentecost and Rev. William H. Spradlin, Jr. piloted the people. Following these fine shepherds, Rev. Robert Nation came to guide the flock. He was followed by Rev. Jack Byrd. Today we have Rev. Dalphon Thompson as our pastor.

It is impossible to measure the magnitude of the ministry of these servants of God in the life of our church, but we would honor and revere these who have served their Lord and ours in such a glorious manner through the ages.

No history would be complete without events and dates. From the formation in 1892 with fourteen charter members to a membership of 511 in 1974, many lives have no doubt been touched by the influence of this church in this community. The land for the church building was given by Brother Samuel D. Yokeley. The first nursery was furnished in 1908. A sexton was hired to care for the building and grounds as early as 1910. By 1916, a brick building had been constructed. In 1922 the church had to make application for partial support from the State Mission Board. Now through the Cooperative Program, we contribute to other struggling churches like our own in its early history. During the church year 1973-1974, our church contributed $6947.00 to the Cooperative program.

Electric lights were installed around 1926. The church survived the depression even though finances failed somewhat. On April 11, 1937, the church building was completely burned. Only the thick brick walls were left. Some few furnishings were also salvaged. Even with this tragedy, the faith of the fellowship flourished. No worship services were missed. The people rededicated themselves to the task at hand. A new building was completed on August 14, 1938, and this was called Home Coming Day. On May 29, 1949, a new parsonage was dedicated. A three story brick educational building was constructed and dedicated and the enlargement and beautification of the church sanctuary was completed by 1959. A Fellowship Hall, conceived in the mind of a loving and forward looking soul, is under construction. The approximate cost is $100,000.00.

The visions of those who lived in the past are realities for those who live in the present. May our visions be of equal greatness for those who shall live in the future. May the Lord of all lead us forward to larger and better service.

HISTORY OF PARK PLACE BAPTIST CHURCH

In the summer of 1936 a group of Christians under the leadership of Dr. W. K. McGee, pastor of the First Baptist Church of Thomasville, saw the need of a mission Sunday School in this section. Several persons from the First Church and others joined with Dr. McGee in organizing a Sunday School at that time.

This Sunday School had as its first meeting place a store building at the corner of Reid and Emma Streets, which belonged to the Crutchfield Hardware Co. Dr. W. K. McGee and Rev. J. A. Neilson, pastor of the Mills Home church, served as co-pastors of the mission. Mr. Talford Maley, a member of the First Church, served as the first Sunday School Superintendent.

The mission was organized into a church on Sunday, October 23, 1938, which was named the Reid Street Baptist Church. The State Secretary, Dr. M. A. Huggins, was present at the organization meeting. Dr. McGee acted as moderator; Rev. J.A. Neilson was clerk. The council at the organization was composed of deacons and visitors from the First Church, Mills Home and Carolina Avenue churches.

Thirty eight entered the church as charter member, namely: Mrs. Ailene Hilton Batten, Mrs. Betty Lou Pressley Bauer, Mr. and Mrs. Ira Bryant, Mr. and Mrs. A. C.

Coggins, Mrs. Mozelle Copeley, Mr. Paul Culp, Mr. and Mrs. J. R. Duke, Mrs. Maxine Ward Flowers, Mr. and Mrs. A. A. Harris, Mrs. E. D. Hartsell, Mr. Joe Hilton, Mrs. D. T. Kennedy, Mr. and Mrs. A. L. Renegar, Mrs. W. H. A. Rogers, Mrs. Daphne Pressley Roberts, Mr. and Mrs. Dallas Shore, Mr. and Mrs. Pete Stewart, Mrs. J. C. Ward, Mr. and Mrs. Millard Wilson.

Rev. H. Otis Lanning from Lexington became the first pastor of the newly constituted church. The next year, 1919, the church purchased a lot at the corner of Reid and Kern Streets for the sum of $1850.00, on which they erected a frame church building costing some $2500.00.

At the 1939 session the church was accepted into the Liberty Baptist Association.

Some highlights of coming years are as follows:

1. In 1944 the church reached second in the association in giving per capita.
2. In 1948 a nine room parsonage was built at the cost of $18,000.00
3. On December 5, 1948, Rev. Inman Stewart was ordained to the gospel ministry by Reid Street Baptist Church.
4. In June of 1950 a lot on the corner of Fife and Kern was purchased for the new site of the church. Ground-breaking service was held on June 7, 1950. The church was finished in 1954, costing around $50,000.00. The building committee included: S. B. Laws, Wayne Batten, Austin Batten and Lay Hinkle.
5. On March 26, 1952, Reid Street was changed to Park Place Baptist Church.
6. On June 13, 1956, the church constructed a Scout and Fellowship Hall behind the church.
7. In September of 1960 two and one-half acres of land behind the church was purchased for the price of $2200.00.
8. In February of 1961, Mr. Bill Johnson was ordained to the ministry upon the request of Cedar Falls Baptist Church.
9. On August 23, 1961, the church voted to buy the house and lot of Mrs. E. Cranford, which is adjacent to the church property, for the cost of $4,000.00.

Pastors have been as follows: October, 1938—December 1938, Dr. W. K. McGee and Rev. J. A. Neilson were co-pastors; 1938-1943, Rev. Otis Lanning; 1943-1948, Rev. H. L. Kaiser; 1949-1958, Dr. C. M. Pegram; 1958-1962, Rev. Donald Moore; 1962-1968, Rev. A. Judson Rotan; 1968-1973, Rev. Joe D. Seay; January 24, 1974 to present, Rev. James Michael Wilkinson.

Last year the church receipts were $35,916.00; mission giving was $4,863.00.

HISTORY OF COMMUNITY BAPTIST CHURCH
ROUTE 2, BOX 268
LEXINGTON, NORTH CAROLINA

In the year 1954, the Rev. W. N. Parker of Thomasville, and member of Greenwood Baptist Church, conducted a tent revival in the Gordontown Community. At that time some of those attending the revival expressed to him a desire to have a

Baptist mission organized in the Gordontown Community. After careful thought and consideration, and with help from Greenwood Baptist Church, Rev. Parker and his wife rented a store building from a Mr. Purn Gordon.

With just a few in attendance the work began. This was known as Gordontown Baptist Mission. With much hard work and many prayers, the mission grew and prospered. In the later part of 1957, Rev. Parker resigned his work here and the Rev. Alan McGee was called, he also being a member of Greenwood Baptist Church.

In August of 1958, under the leadership of Rev. McGee, the mission was organized into a church, with members having chosen the name Community Missionary Baptist Church. At the time of organization there were (19) Charter Members. They were Rev. McGee, Dorothy McGee, Linda Beeson, Pauline Gordon, Maude Gordon, Hattie Gordon, Frank Gordon, Purn Gordon, Nell Gordon, Joann Hunt, Letha Hicks, William Lange, Annie Lange, Bill Lewallen, Sara Lewallen, Effie Kinley, Ruby Jarrett, Eva Snider, and Betty Sue Varner.

On October 12, 1958 the church elected their first trustees, and also in 1958 their first budget was drawn up. In November 1958 the church purchased the land on which our present building is standing. It was purchased for $250.00 from a Mr. Billy Starbuck. After the land was purchased, work began on the basement of our church.

In September 1959, Rev. McGee resigned as pastor and Rev. Robert Mabe was called. The first Deacons were elected on November 8, 1959. In December of that year our basement was completed and the first service was held on the second Sunday in December, 1959, in our new building.

On November 2, 1960, the church voted to build our auditorium. This was completed, and on December 11, 1960, the first service was held in our auditorium Rev. Mabe resigned as pastor in February, 1961, and Rev. Jack Lanier was called.

During this year many improvements were made to our Sunday School, by classrooms and a nursery being added. The Training Union Program was organized in 1961, and the first service was held on October 22, with 49 present. In that year plans were made to organize a Women's Missionary Society.

In July 1962, the Church purchased the lot adjoining our property to be used as the future site of the parsonage. Also in that year, land was cleared and prepared for the Cemetery. The first family to use the cemetery were Mr. and Mrs. Marvin Hicks for their infant son.

Mission work at the Pine Knoll Rest Home was conducted by our church in 1962, for which a Certificate of Awards from the Convention was presented to our Church.

In 1962 more improvements were made to our building by adding an entrance hall and also by purchasing pews to replace the chairs we had been using. Many of the pews were donated by members, and by friends in the Community.

On October 30, 1963 the church voted to accept the Constitution and By-Laws which had been recommended by our deacons. Each member was given 30 days to consider the rules before they voted. New construction that year consisted of a shelter being built over the back entrance of the church, and a new heating system was installed. In 1964 more improvements were made to our yard and cemetery. The yard was graded and leveled and the cemetery was laid off in plots.

The property we had previously purchased was cleared and the latter part of 1964 plans were made to begin work on the parsonage. On October 7, 1965, our parsonage was completed and our pastor and his family moved in.

In 1966 more improvements were made to the outside of our church. A new porch was added and the church was repainted.

In October of 1967 Rev. Lanier resigned as pastor and Rev. Fred Carlton was

called. During this time our church continued to grow and prosper. In May of 1970, Rev. Carlton resigned as pastor and Doug Adams served as supply pastor until in June 1970.

In 1970 Rev. Bill Hyde was called. During the time Rev. Hyde has served our church, it has grown and many improvements have been made. In 1970 our church started a building fund, and in 1971 our church debt was paid. Also, in 1971 the W. M. U. started working several projects to raise money to buy carpet for the auditorium, and in January 1974 our carpet was installed. In 1972 an outside shelter was built over our picnic area, and in 1973 the church steeple was remodeled and new guttering was installed around the roof. In this year of 1974 the church voted to have Youth Sunday and this proved to be a big step in reaching the Youth in our Church and in the Community. Also, gravel has been placed in our parking lot and grass has been sown around our church.

Our church has grown from (19) members in 1958 to 149 in 1974. We are thankful to God for the way we have grown and prospered over these 16 years and are expecting greater things from him in the future.

Sincerely,
(Mrs.)Geraldine Hughes

The 1973 state goal for this offering was $500,000 with all over $250,000 to be applied to the fund for the building of the new Camp Caraway Center. Actual

receipts amounted to $327,867.65, which means that $77,867.65 will be applied to the fund for the Conference Center. Liberty Association Churches gave $8,074.72.

The 1974 goal is $400,000, $260,000 for the Basic Budget needs, and all over that to go into the building fund for Caraway Conference Center.

Now that you are aware of the many ministries supported by your state offering, and also of the need for the new Conference Center so close to us in Liberty Association, won't you urge your local church to give generously to this offering in September?

Respectfully submitted,
Mrs. W. L. Martin, Jr.

HOME MISSIONS REPORT

Dr. Arthur B. Rutledge says: "The committed Christian refuses to be swayed by crises that seem to attack him from every direction and threaten to turn him inward instead of toward ministry. Possibly there has never been a more challenging time to serve Jesus Christ and cross barriers with the gospel."

A force of some 4,000 well trained persons including full-time, part-time and volunteer workers are crossing barriers and helping to meet these challenges of our times. The Board's missionary force totaled 2,170 at the year's end, and the balance was comprised of a total of some 1,024 student summer missionaries and a large number of volunteers. These missionaries, supported and supervised by the Home Mission Board in cooperation with state mission boards, are active in all 50 states, Panama and Puerto Rico.

More effective ways to conduct missions in the United States through volunteers and with no increased funds continue to be found by the Home Mission Board. The laity have become the key force within four major emphases of the Board: the Division of Evangelism has activated a force of more than 300,000 trained, involved lay evangelists during the year—no doubt a vital factor in the more than 400,000 baptisms for 1973; a great deal of time and effort on the part of the Department of Christian Social Ministries and the Department of Special Mission Ministries is spent in enlisting and training lay people for short-term and long-term assignments; and the Church Extension Department is extending the arm of the church by enlisting lay persons to lead in Bible study fellowships in homes. Director Jack Redford says almost 27,000 Bible study fellowships are now being conducted nationwide.

The end of the Vietnam War brought a drop in the total chaplaincy force to a present 850—most of these still serve in the military service. About one-third minister in civilian hospitals, institutions and industry, and 50 or more on duty at veterans' hospitals.

In 1973-74 more than 1,500 churches received counseling from the personnel of the Division of Church Loans which processed during the year loans to some 235 churches for more than 11 million dollars. In the past 15 years some 4,000 new churches have been started in areas previously little known by Southern Baptists.

The Department of Language Missions is reaching out through the efforts of more than 1,050 missionaries. They are supported by the Home Mission Board working in language efforts in 33 state conventions, Panama and Puerto Rico.

Record Cooperative Program and Annie Armstrong Easter Offerings will enable enlargement of the missionary force and strengthening of all programs. We pray for continued mission support through praying and giving which will surely enable Southern Baptists to cross many barriers and meet many of the challenges of our times.

Respectfully submitted,
Mrs. Joe Tate

FOREIGN MISSIONS REPORT

In order for mankind to hear the Good News of Jesûs Christ, missionaries must continue to go. Southern Baptist overseas missions are operated through the channels of the Foreign Mission Board. At the close of 1973 the Board had an overseas missionary staff of 2,538. This included 172 missionary associates, 3 special project medical personnel, and 137 Journeymen. On January 1, 1974, Southern Baptist missionaries were under appointment to 77 geographical or political entities. During the month of July, 1974, the number of Southern Baptist foreign missionaries increased more than in any previous month of the Foreign Mission Board's 129-year history. The grand total for July was 148 new missionaries.

During 1973, the doors were opened for missionaries to live and work in the Niger Republic as well as in Mocambique (Mozambique).

As people are lead to a new life in Christ, cultivating New Testament churches is the next goal for our Southern Baptist missionary efforts. Seventy-five per cent of Southern Baptist Churches, directly related to national Baptist conventions, have moved toward increasing self support of their work. During 1973, a new national convention was organized in Guyana, while unusual responses to special evangelistic campaigns were reported in Nigeria, Korea, and the Philippines.

Educational institutions are important in training new christians to become capable and effective leaders in indigenous churches. A new program of theological-study-by-extension now enables pastors and laymen to continue working with their churches while engaging in theological study.

The ministry of publications is increasingly important as a means of reaching people for christ and church growth. Vietnamese and Chinese Baptists published their first hymnals in the Chinese and Vietnamese languages. Six French speaking West African countries are working in a cooperative effort of literature production to make materials available for Sunday School, correspondence courses, and leadership training.

Southern Baptists continue to witness through the ministry of healing. During 1973, a new hospital in Bangalore, India, was dedicated; a new out-patient clinic wing was opened at Wallace Memorial Hospital in Pusan, Korea; and a new building at Ajboun, Jordan was dedicated. Mobile clinics continue to be effective among rural and village people.

Although much growth can be seen in the efforts of Southern Baptists overseas, many need arise each day that must be met. Perhaps one of the greatest needs at this time is the plight of people suffering from a lengthy drought in West Africa. Thus, we must continue to pray and be willing to give, not only of our money, but of ourselves if God should call us to go.

Respectfully submitted,
Mrs. Richard Davis

CHRISTIAN HIGHER EDUCATION REPORT

While churches and colleges are not identical, Baptist colleges and Baptist churches do many things together. Churches and colleges work as active partners in such things as Baptist Youth Corps, student led worship and revival services, visits to the campuses by pastors and other leaders.

During 1974 our colleges will receive through the Cooperative Program approximately $2,350,000 to help continue their work. These funds make a tremendous difference in the quality of programs offered by our schools.

Our colleges in North Carolina are: Campbell, Chowan, Gardner-Webb. Mars Hill, Meredith, Wake Forest and Wingate. They work together with the Baptist State Convention through the council on Christian Higher Education. The executive secretary is T. Robert Mullinax, P. O. Box 26508, Raleigh, North Carolina 27611.

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky, assumed the presidency of the 78-year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

Reporting from our Southern Baptist Convention, there is a significant increase in the enrollment of ministerial students on the Baptist school campuses. The 1973-74 enrollment is up 890 or a gain of 9.74 per cent. Our seminaries reported an up from the enrollment of 4,043 students in 1972-73 to 4,228 students in 1973-74.

As we dwell on the unity of colleges and churches we want to strengthen each. Our cause is to promote the mission of Christ, and the better we are equipped and committed, the better we can promote that which our Lord intended for us to do from the beginning. In unity we do better.

Respectfully submitted,
Dalphon Thompson

CHRISTIAN LITERATURE REPORT

During a time when so much literature of all kinds is being printed, it is impossible to over-stress the importance of Christian literature. The need is great for the distribution of Christian literature to be expanded. But—as Mr. J. Marse Grant, Editor of the BIBLICAL RECORDER, writes—" . . . these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight."

Christian parents have the responsibility of seeing that Christian literature is available in their homes, Our youth are exposed to all types of literature in today's society. Having Christian literature in the home may be the needed influence for good in the life of many young people.

A visit to one of our Baptist Book Stores makes one aware of the fact that a great deal of Christian literature is available. The employees in these stores are willing to help in the selection of good literature.

A report of this nature cannot list all the Christian literature which has been and continues to be of help to our people. Many people—including this reporter and his family—find the BIBLICAL RECORDER, HOME LIFE, THE BAPTIST PROGRAM, HOME MISSIONS, Foreign Missions publication, THE COMMISSION, and CHARITY AND CHILDREN helpful. Here we find Christian literature at its best!

A forward step will be made when churches consider it a part of their ministry to people to provide Christian literature for them. A good start would be for our churches to see that the BIBLICAL RECORDER is sent to every home represented in the church family. Church leaders should check into the RECORDER'S "Church Budget Plan."

Respectfully submitted,
Phillip R. Morrow

1974 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history—more than 111,000—thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

Respectfully submitted,
J. Marse Grant, Editor
BIBLICAL RECORDER

BAPTIST FOUNDATION REPORT

Baptists of North Carolina, meeting in convention in 1919, authorized the establishment of the North Carolina Baptist Foundation, Inc., and it was chartered by the State in 1920 as an agency with duties including the cultivation of Living Memorials by gifts and wills and to administer the funds on behalf of the donors to support Baptist work. The Board of Directors is keenly aware of the need of enduring financial support for Baptist institutions and agencies.

The value of Foundation assets is approaching two million dollars. Gifts received during 1973-74 amounted to $150,310.15. A major portion of the gifts established annuity trust funds providing income to donors with the residual principal gift to be received by a Baptist institution, agency or cause. Baptist causes beyond the State will eventually receive 10.08 per cent of all 1973-74 gifts.

Income distributed by the Foundation this year amounted to $47,858.74. Approximately $6,700.00 of income was reinvested by the Foundation in accordance with instructions from the donors.

There are various services offered by the Foundation, with two major ones being the Life Income Trust and the Charitable Remainder Annuity Trust. Other services will be upcoming in the near future. Please contact Mr. Edwin S. Coates,

Executive Secretary, The N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611, or phone 919-833-1605 if he may be of service to you.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT

Rising cost of living is not yours alone to bear. Your Baptist Children's Homes are feeling its burden also. During the past year North Carolina Baptists gave over a million dollars toward our program through the Cooperative Program and the Thanksgiving Offering, but our needs are very great. The older cottages are being replaced with modern child care cottages, rather than the old group care living quarters used in the past, as funds become available. Improvements to Greer-Burris Home at Chapel Hill are being made. Wall Home at Wallburg has pioneered an exciting program of outdoor adventure living for teenage boys that has proven very successful. Kennedy Home at Kinston has completed a cottage and two family residences, while a new Administrative Building has been completed at Broyhill Home at Clyde.

You will gather from the above report that, rather than a couple of Homes for dependent children as North Carolina Baptists operated for over seventy-five years, we now have area homes in which children can grow up near their respective communities. In addition to these homes, counseling service is offered in every major city in North Carolina. Our child care has extended beyond the old idea of three meals per day and a place to sleep, to care and guidance through natural parents and foster homes.

Our local home, Mills Home, is to begin a cottage soon through the interest of former students and their friends and will be called the Alumni Cottage. Many of the local churches in North Carolina know, from personally knowing former students, that your love and concern pay off through lives being lived for the Lord. We shall remain eternally grateful to you that cared for orphans back during the thirties when three little boys from Davie County needed love and care. The continuing good will and support of our friends throughout the state and especially the Liberty Association shall be appreciated. We pray God's blessing on each of you!

Respectfully submitted,
Franklin Bailey

REPORT TO THE ASSOCIATIONS
PIEDMONT AREA
1974

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16mm sound picture, has been filmed

to tell the story of the Children's Homes. It was premiered at the Piedmont Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptists gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising costs and the need for expanding services challenge all of us—staff and supporters—to continue our investment in the shared adventure of Christian child care.

BAPTIST HOMES FOR THE AGING REPORT

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, (2) The Cooperative Program.

God through you has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem—Resthaven and the Hayes Home and the Nursing Care Unit—and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, four out of every five residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year has been the decision by the Trustees of the Homes to establish a sixth Home in Western Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch if an appointment is made in advance.

With the addition of a sixth Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the third Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

Respectfully submitted,
B. V. Broadway

BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at our Baptist Hospital, the emphasis is still upon "ministering with skill and understanding."

Changes and additions continue to be made in order to provide better hospital care. Renovation of the Progressive Care Unit has been completed. The South and West Wings of the hospital are now being renovated. The Ambulatory Care Unit is scheduled for completion in the spring of 1975.

New discoveries continue to make possible better medical care. A new EMI-Scanner is to be installed in the near future. This device, which combines the use of x-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

The Pastoral Care Department has opened its first satellite center in Fayetteville. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May, which is due to a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one-half years. Nevertheless, the hospital continues to operate "in the black." The 1973 Mother's Day Offerings amounted to $375,000. At the present time the 1974 Mother's Day Offerings are running ahead of the same time last year. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

The Mother's Day Offering for the Liberty Association, January–July, 1974, is $6,373.31, from 33 churches. Last year we gave $8,085.61 from 38 churches.

Respectfully submitted,
H. Dean Harrold

AMERICAN BIBLE SOCIETY REPORT

Getting the Word of God to everyone has always been the sole purpose of the Bible Society. To do this it has engaged in hundreds of programs of translation, publication and distribution in cooperation with churches and agencies needing Scriptures. Even with these programs, the Society is aware that a large part of the world's people are not being reached, those whose reading ability is new or marginal.

One of the many programs of the Society for the distribution of Scriptures where they are needed, in a language comprehensible to their recipients, is Good News For New Readers, a unique and extensive program providing special Scripture Literacy Selections on five graded levels, in 200 languages. Over the next twelve years 725 million Selections will be required at a cost of over $62,000,000. This will enable millions to read the Word of God for themselves for the first time, thus providing a basis for a more abundant life.

The American Bible Society is most grateful for its close, continuing relationship with Southern Baptists in the common cause of Scripture distribution. However, the Society is facing a growing demand for Scriptures in a world of growing population, whose people have a growing need for a saving knowledge of the Gospel. Therefore, the Society urges that Southern Baptists continue their active support and to make special efforts to support the Good News For New Readers

program. We have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility for Bible Societies. It is a responsibility which all Christians must recognize and to which all must respond generously.

Respectfully submitted,
John L. Hawkins

ANNUITY BOARD REPORT

Who decides if a pastor and other church staff members will have adequate financial benefits when they retire? Answer—It's the church. The extent to which a church contributes to the retirement plan for its pastor and staff determine the size of the benefit.

The Annuity Board of the Southern Baptist Convention invests the money received as contributions in the best way possible. This makes the value of each individual's account grow. But the Annuity Board can only accept the retirement contributions sent in by the church, and administer them.

The Annuity Board fiscal year follows the calendar year. In 1973, the Board disbursed a record nearly 16 million dollars to about 9,000 annuitants. It was 4½ million dollars more than the year before, which was also the highest previous sum.

More than 1500 annuitants received benefits for the first time in 1973. The funds were paid out as age retirement, widow, and disability benefits. Another 13th check was paid last December to annuitants.

The Annuity Board reached a record more than 350 million dollars in funds held in trust at the end of the year 1973. The funds pay benefits when participants retire, or die, or become disabled.

The Baptist state conventions provide one-third of each ordained minister's basic Plan A contribution for those serving within the state boundaries. In addition, many Baptist agencies in each state—hospitals, colleges, homes for children or the aged—provide for retirement benefits for their staff, in cooperation with the Annuity Board.

The Board also administers life, health, and disability insurance plans for persons serving churches or denominational agencies The insurance program is underwritten by the Aetna Life Insurance Company. The Board's office is located in Dallas.

In North Carolina Baptist State Convention there are 2,083 churches and associations; 2,528 employes participating. There are 19,680 churches and associations with 25,748 employes currently participating in the Southern Baptist Protection Program. In this state convention, the number of new members enrolled in Plan A during the first six months of 1974 is 125.

As of June, 1974, in Liberty Association 31 churches and the Association are participating in the Retirement Program.

PREAMBLE

We, the churches of the Liberty Baptist Association, unite ourselves according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the Baptist State Convention of North Carolina and the Southern Baptist Convention, according to the following Articles:

ARTICLE I - NAME

The name of this body shall be the Liberty Baptist Association.

ARTICLE II - MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and By-Laws. Member churches may also with draw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III - MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV - COMPOSITION OF MEETINGS

STANDING RESOLUTIONS

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in Annual Meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.
2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.
3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church in regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces, or the chaplaincy of a public institution whose church shall have requested in writing his ordnation before the call of the ordaining council shall be approved.

POLICIES FOR THE ESTABLISHMENT OF MISSIONS

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

ORGANIZATION AND ADMISSION OF NEW CHURCHES

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.
2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.
3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the Committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

EXECUTIVE COMMITTEE REPORT

During the past year the Executive Committee of the Liberty Baptist Association has met four times, as prescribed by the constitution, for the purpose of considering reports from the organizations and planning further work as deemed wise according to need and opportunity. Several significant items of business were transacted and decisions relating to the furthering of cooperative efforts were made. A summary of the meetings with highlights of business matters are hereby submitted.

November 11, 1974, was the date of the first meeting. The Rev. John Hawkins led devotions and reports were presented. New members of the Executive Committee were introduced to

the group.

Two items relating to finances were introduced. The first of these informed the committee that the Faith Baptist Church had requested a grant of $1,000.00 from the N. C. Baptist State Convention for aid on the purchase of a lot for the construction of a new building. A motion was made and passed that the committee give approval to the request and submit such through proper channels for appropriate action.

The second item was a recommendation that in keeping with earlier precedent, our association request the amount of $672.00 as an annual supplement to the missionary's salary from the Baptist State Convention. A motion to comply with the request was adopted.

Further plans were announced concerning high attendance day in Sunday School for November 17, for "M" Night on November 25, and for the state Vacation Bible School Clinic at Wingate College, January 6-8. The moderator announced a meeting of the committee to investigate the possible selection of property for purchase by the Association.

The second meeting was held on the evening of January 13, 1975. The Rev. John Pace led in devotions and new members were recognized. Officers and organizational leaders presented reports. The Missions Committee chairman reported a meeting with the Faith Baptist Church on January 9 to consider a request for help with funds for a new building. After appropriate discussion approval was given for the missionary to share information through the newsletter and encourage any congregations who wished to contribute for this cause.

Attention was called to starvation and disease afflicting so many nations of the world. The Rev. Herbert Baker reported that our Convention would very shortly begin the task of raising $100,000.00 for world relief. It was moved and passed that our Association write to Dr. Perry Crouch, the Executive Secretary-Treasurer of the N. C. Baptist State Convention, endorsing this effort and pledging our full support.

Upon a recommendation from the Finance Committee by the chairman, the Rev. D. Hoke Coon, Jr., a decision was made to purchase an electric A. B. Dick mimeograph machine for the Associational office, and expenditures up to $650.00 were authorized.

The third meeting was on April 21, 1975. Following devotions by the Rev. Hugh B. Biggers and reports from the clerk and the treasurer, new pastors were introduced. These were Rev. Paul Millwood, pastor at Churchland, and Mr. Ronald Chapman, serving as interim pastor at Smith Grove.

Reports from the missionary indicated that the lot aid request from the Faith Baptist Church had been approved by the State Convention, and a request for a loan from the Convention in the amount of $10,000.00 would be held without further action until the Faith Church began actual construction. A motion was favorably approved for this request and for travel allowance for the Faith pastor up to $300.00 per year from the same source.

A report from the Missions Committee indicated the members had talked with Mr. Rollins about the possibility of his attending the Baptist World Alliance in Stockholm, Sweden during the summer, and visiting several of the Iron Curtain Countries, including Russia, Scandinavia and Eastern Europe. The report included three recommendations:

1. The missionary be authorized to take the necessary time away from the office for the trip, July 7-July 28, 1975.
2. That the churches wishing to contribute to the expense of the trip send their gifts to Mr. Dothan Reece, clearly marked so there would be no confusion with other funds contributed for Associational work.
3. That we commend Mr. Rollins for his continued interest in and commitment to the mission enterprise through information, education and participation; and that we wish for him a safe and prosperous journey which may further equip him to serve as a minister of God and a leader of men.

These recommendations were unanimously approved.

The fourth meeting was held on September 22 at the North Lexington Baptist Church. The Rev. Robert Floyd led devotions and reports were given. High attendance day for Sunday School was announced for November 2, 1975.

The treasurer reported that the year had closed with the highest receipts on record for our Association. The missionary reported the $10,000.00 loan request for Faith Baptist Church had been approved by the State Convention. A report from the missions committee indicated that a letter had been received from the Little White Baptist Church requesting their withdrawal from the Association. The Executive Committee voted to recommend to the Association in

annual meeting that this request be granted.

Plans were announced for a Spring Crusade in the Association with the E. J. Daniels Crusade team, using a tent hopefully at the County Fair grounds. Following further discussion the meeting was concluded with prayer.

Associational Clerk

MISSIONS COMMITTEE REPORT

In its meetings this year the Missions Committee has dealt with several items of interest to all of us in the Liberty Association. Of major interest has been the progress of the building program at Faith Baptist Church, and the concern of the Missions Committee to support this building effort. The Committee voted to recommend to the Executive Committee of the Association that all of our churches be invited to give what help they could to this building effort, and this motion from the Missions Committee was approved by the Executive Committee. We do not know how much help the Liberty Baptist Association churches contributed, but we are pleased to report that the building program at Faith has been completed and the new building is to be dedicated with special services this coming Sunday, October 5. As a further help to the Faith Church the Missions Committee endorsed the application of the church for a loan of $10,000.00 from the Baptist State Convention. This loan was approved by the Executive Committee of the State Convention. The Missions Committee has been warmly inspired by the membership of the Faith Baptist Church, for in a time of great need in their building program they have continued to stress missions and support the mission causes so close to all of our hearts.

The Missions Committee also took the leadership in suggesting to the Executive Committee of the Association that our churches send Leonard Rollins to the Baptist World Alliance meeting this past summer. We are thankful for the response of the churches to this suggestion. Leonard has already shared with several of our churches his experiences at the Baptist World Alliance and his visit to Russia, Poland, Czechoslovakia, Austria and Germany. We are deeply grateful to our churches for their generous giving in this matter.

At our last meeting we considered a request from the Little White Baptist Church that the church wished to withdraw from the Liberty Baptist Association. This request came to us from Mrs. Phyllis Harmon, church clerk, after a majority of the Little White members had voted for a motion to leave the association. Membership in our association is voluntary as far as the churches are concerned, and on behalf of the Missions Committee I move that the Little White Church be dropped from the Liberty Association without prejudice.

When we last met, our associational missionary said that three of our churches had made no contributions to the associational program during the past year. The chairman of the Missions Committee was asked to write the pastors of these churches a letter about this matter, with copies to be sent to the clerks and treasurers of the churches. The chairman did write such a letter, but he wants to confess that the information he sent was erroneous. In the letter I reminded these churches that one condition for membership in our association was a contribution to our associationally, state or Southern Baptist sponsored missionary causes. Then I read our constitution again and realized that I was wrong. Membership in our association is contingent on a contribution to our associational program, not objects of state or south-wide mission concern. I want to apologize to the churches concerned, and use this opportunity to remind all of our churches of this specification in our constitution. It is a wise proviso, for it preserves our autonomy as an association in setting rules that differ from the state or Southern Baptist conventions, while it also enables churches to belong to the Liberty Association which might not wish to be a part of the North Carolina Baptist Convention or the Southern Baptist Convention.

Respectfully submitted,
H. M. Baker

REPORT OF THE CONSTITUTION COMMITTEE
TO THE LIBERTY ASSOCIATION IN ANNUAL SESSION

September 30, 1975

Last year during the Annual Meeting of the Liberty Baptist Association, on September 25, 1974, the Nominating Committee made recommendations of five people to serve on a committee to study the constitution of our Association and bring a report to the next annual session. This recommendation was in response to a request by the Associational Missionary and action by the Executive Committee from its last meeting before the annual session.

Those elected to serve on that committee were The Reverend C. W. Pierce, Mr. Gaither Lewis, Mr. John N. Penninger, Jr., Mrs. Foy W. Young, and Morris Hollifield. By virtue of office as clerk of the Association, I was asked to serve as chairman of the committee.

The Reverend Leonard Rollins, our Associational Missionary, and the Reverend Lamar L. Moore, Jr., Moderator of the Association, were asked to meet with the committee as Ex Officio members.

The Committee met for the first time on Sunday afternoon, Feb. 23, and set a meeting time on a monthly schedule. These meetings continued on into the summer months, until it was believed the task we had been assigned had been duly completed.

Every word of the constitution was read, evaluated, considered in relationship to the overall purpose of the Association, and then examined in terms of simplicity and expression. Following this work, it was determined that we could best present our recommended changes to you by mimeographing the complete paragraph of any part being changed. The mimeographed sheets show the paragraph as it will read if the changes are adopted. We would like for you to compare this with the old form by following the constitution in a copy of the printed minutes.

I would like to express appreciation to the people who served on the committee for the many hours which were devoted to this effort. Now, I would like to say to you as messengers to the Association: this committee has no ax to grind. We have tried to consider every part of the constitution as objectively as possible. With this in mind, we want you to examine the recommendations very carefully, and treat them as you think best. Our purpose and desire is to prepare the best wording possible to express our concern for cooperative work and to unite our efforts for the glory of God. Therefore, any question you raise, any discussion you share, any idea you contribute will be welcomed by the committee as we come to make some decisions concerning the up-dating and improvement of our constitution.

In accordance with our understanding of the provision for making constitutional changes, we would like to suggest the following procedure. We will present the changes to the Articles of the Constitution today, explaining each change or variation. All questions and discussion will be provided for at the scheduled time on tomorrow morning's program as we consider this for final action. Today we have scheduled the presentation only.

When we come to the BY-LAWS, we will present the changes by reading the complete paragraph where changes occur, pause for questions and discussion, and proceed through the recommendations. At the close of the presentations, we would like to adopt the changes today, which is provided for in the constitution, by a two-thirds majority of the messengers present.

REPORT OF ASSOCIATIONAL MISSIONARY

PSALM 133:1 says: "Behold, how good and how pleasant it is for brethren to dwell together in unity!" The truth of this verse has been evident in the fellowship of Liberty Baptist Association during the past year. We have had the best year financially that we have ever known, the home for the missionary is paid for and air conditioned, new equipment has been purchased for the office, assistance has been given to the Faith Church in their building program, and twenty-seven of our churches gave $2,065.52 to send the missionary to the Baptist World Congress in Stockholm, Sweden. The attendance in the monthly meetings of our pastors has been excellent.

I have had opportunity to be in forty of our forty-three churches for at least one service during this calendar year. In addition to regular preaching services, I have preached in revival services at Southside; participated in ground-breaking services at Faith and Welcome, First; deacon ordination services at Calvary and Currytown; and a pastoral ordination service at Greenwood. I have led in Fellowship Bible Classes and visitation at Coggins Memorial, taught the book of ACTS for twelve nights at Coggins Memorial and four nights at Abbotts Creek. I also taught the Adults in Vacation Bible School at Jersey. I have shared the experiences of the trip to Sweden, Russia, Poland, Austria, Czechoslovakia, and Germany, fourteen times and have eleven more scheduled through December 7. I will be speaking in a World Missions Conference in the Caldwell Association October 4-9.

You and your church can support associational missions through praying, attending meetings, accepting leadership responsibilities, sharing financially, and calling for help. In genuine fellowship you always receive far more than you ever give. We are forty-three churches in fellowship, on mission, in Davidson County. We do not have to do everything alike. We do not have to worship in the same way. We do not have to have the same type program. It does mean that we recognize the fact that we are in the same business. It is thrilling to me to know

that I am working with the Smiths at Jersey, the Carricks at Mountain View, the Moores at Abbotts Creek, the Bradshaws at Carolina Memorial, the Lewis' at New Friendship, the Myers' at Rich Fork, and many, many more. An Association means that I am associated with some of the best people on the face of the earth.

Thank you again for the privilege of serving as your missionary.

Respectfully submitted,
Leonard Rollins

WOMAN'S MISSIONARY UNION REPORT
1974-75

During the year Woman's Missionary Union reached out to persons in need through the "Love Thy Neighbor" theme. It has been a year when many families and churches have become involved in mission action. TIME (Training in Mission Education) is a two-year emphasis and leads into the new year with the thrust of spiritual growth and development.

Approximately 100 attended the Leadership Workshop led by the associational officers in the fall. The Annual Spring Meeting was hosted by Wallburg on March 24th with Mrs. Archie V. Jones, missionary to Ecuador, as guest speaker.

Mrs. Paul Kesler led Baptist Women in the BW Day of Prayer on November 4th at the First Baptist Church on Village Drive in Lexington with 60 women attending from twenty churches. Mrs. Leonard Rollins prepared the Foreign Missions book and taught it to 23 churches. 210 Baptist Women attended a prayer retreat on January 16th with Rev. Gene Phillips as missionary speaker. Mrs. Kesler taught the Home Missions book to 19 churches during April, May and June.

Baptist Young Women, led by Mrs. James Waddell, had a covered dish supper at Wallburg with Dr. Charles Petty as speaker and an ice cream supper in July at Finch Park. Misses Tammy Herring and Barbara Thomas, Unit Leaders at Mundo Vista, led the devotional period. Five attended the BYW Convention at Gastonia in October.

The Associational Acteens Council with Mrs. Larry Sides, Acteens Director, attended a retreat at Mundo Vista in November. 90 Acteens attended the associational meeting at Reeds with Dr. Petty as guest speaker in the fall. A lovely spring banquet, "Something Beautiful," was held at Center Hill on March 14th with Miss Jolene Ivey, State Acteens Director, as speaker. Fifty Acteens from the association attended the State Acteens Convention at Ridgecrest in April.

SUNDAY SCHOOL REPORT

The Churches of the Southern Baptist Convention are very fortunate to have many things that are very helpful to them in doing their assigned tasks. Of course we think of good buildings, many of the extra conveniences that churches did not have a few years ago, better trained leadership than ever before and opportunities for more people to attend than ever before. But I am thinking particularly of the Sunday School organization and all that it adds to the ministry of the church. There comes to my mind:

1. Quality teaching and study materials provided by our Sunday School Board. Pupils and teacher books along with teaching kits and many other helps available to the teacher.
2. Recently a new set of leadership books giving many new ideas and insights about working with the various age divisions.
3. Plenty of ideas and materials that can be adapted and used to train new people to be qualified teachers and leaders in the Sunday School.
4. Materials available for an intensive study of one book of the Bible each year in what is called January Bible Study.

5. Materials for Church-Wide Vacation Bible Schools including materials for classes for adults.
6. Last year a very successful High Attendance Day in our churches on November 17, with a similar plan to be used this year for the same purpose.
7. In our Association we have a qualified group of resource persons who will, as they have time and opportunity, assist you with the needs in this area in your churches.

All of these resources are available for one reason, and that is to help you through your church to fulfill your responsibility in the Sunday School to teach the Biblical revelation, to reach persons for Christ and for church membership, to perform the functions of the church within the membership and to provide and interpret information concerning the work of the church and the denomination.

There is no greater need within our churches right now than the need to be made more aware of the teachings of God's Word. This is the responsibility of the Sunday School. Church members will never be very interested in winning the lost to Christ until they become convinced that this is God's will for them as written in His Word.

Pastors and Directors, take a good look at your Bible Teaching Program. How successful are you in doing the thing that a Sunday School is supposed to be doing? Maybe you need to check back over our list of resources, materials and opportunities to see if there is something that you could use to give your Sunday School a 'shot in the arm.' We again offer to help in any way that we can as leaders in the Associational Sunday School Organization.

1975 ASSOCIATIONAL EVANGELISM REPORT

There is no way to be Christian and not evangelistic. Christ was revolutionary; He came to change the world, but from inside out. His first miracle (changing water into wine) demonstrated His purpose on earth, TO CHANGE LIVES. Jesus is not here now but we are, therefore it is Christ in you, the hope of glory. He is depending upon us to get the Word out, proclaiming His Love for all peoples.

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. In the Liberty Baptist Association we are planning a County-wide Crusade May 2-9, 1976. The E. J. Daniels Evangelistic Team has already been invited to lead this effort. Such a crusade will lead us in a simultaneous endeavor to advance the Kingdom of God through Proclamation '76. This will be an effort to evangelize the lost and strengthen the local church. We urge all of our churches to participate.

The real highlight of this year in Evangelism in our Association was the Inner Life Conference in June 3-4, 1975. Dr. Vance Havner was our guest speaker along with other great men of God and the Fairchild Trio was our guest singers. They were used tremendously of the Lord to lead us to a deeper relationship to our Lord. On Wednesday night a special service was held at First Baptist Church, Thomasville, N. C. with approximately 600 present. To God Be the Glory for these victories! As one pastor expressed his experience, "I shall never be the same after this conference."

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3 1/2 years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 14,000 youth, pastors, and adult leaders will attend the 5th Statewide Youth Evangel-

ism Night—August 15—at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest preacher and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Other plans are in the making for future events to strengthen the churches of our Association. Pray with us for Divine Leadership for these days. The Lord is anxious to do great things for us, if we will just let Him.

REPORT OF THE RESOLUTIONS COMMITTEE

We the Resolutions Committee of the One Hundred Forty Third Annual Session of the Liberty Baptist Association would like for the following resolutions to be adopted.

To our host churches Liberty, Walter's Grove and Carolina Memorial we express sincere appreciation for the gracious manner in which each has so ably cared for our needs and comfort and the adequate and delicious food provided.

To the Moderator and Clerk for their untiring efforts and leadership that have been very effective, and the manner in which they have presided over the Annual Session.

We commend the Committee on Order of Business and all the program personnel for the devotional and inspirational programs following the theme of the Annual Meeting; "Let Christ's Freedom Ring."

To our beloved Associational Missionary, Rev. Leonard Rollins, who truly stands tall among his comrades; words seem inadequate when we try to express the feelings of us all. He spares nothing that he may serve.

To Dothan Reece for his faithful and cooperative service as Associational Treasurer, we express our appreciation for a job well done; and to all the churches who faithfully support our work for Christ.

Last but not least we are indebted to Mrs. Leonard Rollins, wife of our Associational Missionary, for the inspirational and meaningful worship period at the beginning of each Session.

HISTORIAN'S REPORT

During this year as our thoughts have been centered around the Bicentennial celebration, the pages of time have been turned back in our minds and we have become more conscious of our past heritage and history. Surely this is worth reflecting upon as our past history has provided the stepping stones that have brought us to where we are today and what we are doing today will provide the stepping stones for the future generations. All of this brings us to realize the necessity of preserving our history, especially our church records, for future generations.

If your church has not already done so, we would urge you to have your church records microfilmed. This may be done free of charge by the Baptist Historical Collection. For further information, you may contact Mr. John R. Woodard, Director of the Baptist Historical Collection, P. O. Box 7777, Reynolda Station, Winston-Salem, North Carolina 27109.

Today it is our privilege to present to you a brief history of the three churches who are hosting the annual meeting of the Liberty Baptist Association:

SUMMARY OF HISTORY OF LIBERTY BAPTIST CHURCH

The first meeting house was made possible by Reuben Dear, September 1, 1821, when he gave a piece of land estimated to be about one acre in size. The trustees of the property were Joshua Lee and Phillip Copple. This property is located about one mile east of the present location. The first building was a one room log structure. Mr. S. S. Lambeth deeded property on which later buildings were erected. The deed was dated November 27, 1875. The second building was constructed in 1875-1876. The first sermon was preached the fourth Sunday in May, 1876. The third structure was dedicated May 17, 1925. This structure was completely destroyed by fire Friday Night, November 24, 1945. The church was rebuilt and the first service was held the third Sunday in February, 1947.

The church parsonage was built 1953-1954. An educational Building and Fellowship Hall have been added to the plant in more recent times. In 1974-1975 additional space was added to the Fellowship Hall. The first sermon to be preached in the present sanctuary was Sunday, April 4, 1971.

The first members who organized the church in November, 1824, included Joshua Lee, Peter Owen, Phillip Copple and about twenty others. Liberty Church was organized under the authority of Tom's Creek, and constituted as a church August 22, 1829. The present membership is 612. The Liberty Association was organized in 1832, the association being named for Liberty Church. The first pastor was Rev. Ashley Swaim, the present pastor is Rev. Hugh Biggers.

HISTORY OF WALTERS GROVE BAPTIST CHURCH

Walters Grove Baptist Church was organized August 20th, 1913 by Y. E. Staley, C. L. Taylor and J. T. Pierce with thirteen members. The church members decided to move the building from Jacksons Creek to its present location rather than to build a new one. There has been several additions made to the original building over the years.

The church elected C. L. Taylor in 1915 as pastor. He served until sometime in 1916, and resigned. Rev. C. E. Crissmond was called in 1917, and served until 1920. In 1920 a Rev. Love was called as pastor and he resigned sometime in 1921. In 1921 a Rev. W. A. Haugh was called. The records have been lost for the period from 1921 until 1925. Rev. L. A. Connell was called in 1925 and served until 1926. Rev. J. H. Hanes was called in 1926, and served until 1929. The records from 1929 until 1932 have been lost. In 1932, Rev. Howard Hunt was called and served until 1935. In 1935, Rev. W. M. Hopkins was called and served until 1949. During Rev. Hopkins stay there was many improvements made to the building and several members added to the church. Rev. Raymond Hodge was called in 1949 and served until 1952. Rev. Donald Reavis

served from 1952 until 1955. Rev. Warren Pierce was called in 1955, and served until 1960. Rev. Robert Moore was called in 1960, and served until 1962. Rev. William Sercy was called in 1962, and served until September 1963. In December, 1963, Rev. Odell Coggins was called and he served until May, 1966. During this time several Sunday School rooms were added to the building as well as other improvements. Rev. Charles Auten was called in June, 1966, and served until June, 1969. In November, 1969, Rev. Robert Tews was called and he served until January, 1971. Rev. Baxter Gallimore served as interim pastor until October, 1971. Rev. Fred Miller was called October 3, 1971, and is still serving at present. He is our first pastor to be put on salary and serve full time.

Over the years there has been many improvements to the building and grounds. It has had several additions to the building as well as being bricked. Air condition and electric heat was installed in 1973. The church was carpeted throughout in 1974, and there is a fellowship hall under construction at this writing. There has been many things accomplished under the leadership of the different pastors that have served the church, but the most important accomplishment is the souls that have been saved and we thank God for all of them. God has blessed in the past and our sincere prayers are that He will continue to do so in the future.

CONTINUATION OF THE HISTORY OF CAROLINA MEMORIAL BAPTIST CHURCH 1964-1975

(The history of the church was published in the minutes of the Liberty Baptist Association in 1964.)

At the writing of the first history in 1964, Carl Hemphill was pastor of the church, a position he still holds in 1975. The new location and the new building was already a reality in 1964 but since that time the landscaping has been completed, the entire building has been air conditioned and new choir robes have been purchased.

In 1965, Bobby Martin was ordained to the ministry. He had been called to Seagrove Baptist Church and at the time of this writing he is pastor of Hillside Park Baptist Church. In 1968, Tom Brinkley was licensed to preach and later ordained. He has pastored two different churches. Also in 1968, Kenneth Hemphill, son of the pastor, was licensed to preach. He completed his studies at Wake Forest University and at Southern Seminary, and at the time of this writing he is completing his work on a Ph.D. at Cambridge University.

In June, 1972, the members of the church surprised the pastor with a "This is Your Life" day on his fifteenth anniversary with the church. Many former members and friends from other churches were present for this occasion.

God has blessed the church with a continued increase in membership and finances. It stands close to the top, of the community type churches, in missions giving.

IN MEMORIAM: OBITUARIES COMMITTEE REPORT

In our churches many have left our fellowship to go be with the Father. Grief has been expressed in several homes in the past year. Loneliness has colored many ways. But the comforting Father has been close at hand to touch each heart. To the churches and the people the words of the psalmist give us comfort when he said,

> "Even though I walk through the valley of the shadow of death, I fear no evil: thou art with me: thy rod and thy staff, they comfort me." Ps. 23:4
> Duet. 31:6 says, "Be strong and of good courage. . .for it is the Lord your God who goes with you: he will not fail you or forsake you."

God has given to us who pay tribute to those who have died in the past year—a hope in the midst of the cloud, that will break into a ray of light on the day of the resurrection as we will meet those who have gone on before.

As I read the church name I want those from that church to stand in silence as I read those who have died in the past year.

AMERICAN BIBLE SOCIETY REPORT

The Challenge: The world's population reached an estimated total of four billion people in 1974—most of them without ready access to the Word of God. These people constitute the challenge confronting the churches, dedicated to the proclaiming of the Gospel. The American Bible Society in turn is dedicated to the translation, publication and distribution of God's Word. Last year the total number of distributions exceeded 250 million. This challenge is multiplying even faster than the population increase, for new developments in Scripture translation and publication are opening up vast new audiences to God's Word.

Scripture Distribution: The single most ambitious program undertaken, "Good News for New Readers," has been launched to provide special Scriptures to be used by people just learning to read. This program is constantly being updated and eventually will be available in over 200 languages. Another special program called "Good News, America" is designed to bring God's Word to every man, woman, and child in the United States during the bicentennial celebration. Also for the bicentennial "1976" is the long awaited "Today's English Version

of the Complete Bible.

Bible Work Abroad: The American Bible Society maintains a strong link with programs where the Southern Baptist Convention has missionary activity. Around the globe in countries such as Nigeria, Brazil, Japan, Indonesia, Eastern Europe, to name a few, the Society has supported our missionaries with millions of scriptures.

Financial Support: In a time of declining membership for many denominations, the churches of the Southern Baptist Convention has increased its membership. At the same time support for the American Bible Society from the Convention and its churches has generally increased. The challenge of hundreds of millions of people hungry for God's Word confronts the Southern Baptist Convention and the American Bible Society with unprecedented responsibilities and opportunities. Working together, we can be faithful to the high calling to which we are committed.

Respectfully submitted,
Kenneth V. Young

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention provides three retirement plans for pastors and other church related workers or their widows.

Plan A is the basic Southern Baptist Protection Plan. It provides normal and early retirement benefits, disability benefits, widow benefits, dependent child or parent benefits, and educational benefits for each dependent child. In this plan retirement benefits accrued are never forfeited, even if one leaves denominational service, but will remain and be paid at retirement time.

Plan B, or Age Security Plan, is a money purchase plan. The funds deposited in this plan are accumulated with interest earning compounded monthly. At the time of retirement, disability, or death, the total accumulated funds are available to purchase Annuity or other benefits at the attained age of the member or beneficiary.

Plan C, or Variable Benefit Plan, is an investment plan. The entire accumulation of funds are invested in common stocks. Additional benefits which this plan provides at retirement, disability, or death may vary (up or down) depending on the economy.

Persons eligible for one or more of these available plans are indeed fortunate and should be participating in the appropriate plan or plans. As of this reporting, there are fourteen churches in the Liberty Association which are not participating in either of the retirement plans. Those most responsible for decision making in these churches would provide a commendable service if they would encourage the churches to begin now to provide retirement benefits for the pastors and any others who may be employed by the churches.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children

requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Franklin Bailey

BAPTIST FOUNDATION REPORT

When we consider the needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, our attention again comes to focus on the North Carolina Baptist Foundation and how it seeks to meet these needs. Chartered in 1919 by the Baptist State Convention of North Carolina, the North Carolina Baptist Foundation, Inc., has sought to assist individuals throughout the state in their estate planning to provide ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. Certain tax advantages for the gift portion of these transactions are available to the donor. Wills account for a major portion of the funds held in trust by the Foundation.

New gifts to be held in trust amounted to $635,079.57 during 1974-75 fiscal year. The total value of assets as of June 30, 1975, was $2,263,733.34. Income from all assets held by the Foundation which have been distributed to designated beneficiaries amount to $69,090.24 for the past twelve months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S. Coates, Executive Secretary, North Carolina Baptist Foundation, Inc., P. O. Box 26508, Raleigh, North Carolina 27611 (Telephone No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

Robert Hedrick

BAPTIST HOMES FOR THE AGING REPORT

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. Almost daily, calls come from older persons, and their families, inquiring about admission to one of your fine Resident Homes and the skilled Nursing Care Facility of the Homes.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the 24 years that we have been on the scene at Resthaven, the Hayes Home and the Nursing Care Unit in Winston-Salem, and in the Homes at Albermarle, Hamilton, and Yanceyville. As God continues to bless and lead us, and by the increased concern and giving of our Baptist people, we will make every effort to expand our ministry of helping as many older persons as possible in the years ahead.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and the third Sunday of February offering for the Homes, reflect a very encouraging increase. Four out of every five persons who live in our Homes depend upon these love gifts for their care, and could not be ministered to in the majority of cases were it not for you.

Plans are in progress to raise $1,000,000 for the construction of the Western North Carolina Baptist Home at Asheville, and when it is completed, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons.

Pray for the ministry of your Baptist Homes for the Aging. Visit the Homes and see firsthand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

Respectfully submitted,
Gaither C. Lewis

BAPTIST HOSPITAL REPORT

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

The new ambulatory care unit is now open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy, and other departments. Renovation of the West Wing is now complete and renovation of the South Wing is in progress. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975, to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

Despite the continued rise in costs for services and materials, the hospital has been able to operate in the black. This is due to diligent managment by the administration and department heads.

During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Gifts from the Baptist Churches have been gratifying.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Respectfully submitted,
H. Dean Harrold

CHRISTIAN HIGHER EDUCATION REPORT

Baptist Colleges in North Carolina see themselves as active participants in the Christian mission of sharing the gospel of Jesus Christ with all people. The colleges continue a strong emphasis upon ministerial and church-related vocational training as well as preparing future lay leaders for local churches.

Our seven colleges reported 715 persons preparing for careers in church leadership as of April, 1975. Many of these will continue their preparation by attending a seminary. In the spring of 1975, our Southern Baptist Seminaries listed an enrollment of 303 persons who had graduated from North Carolina Baptist Colleges. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6 per cent of the total number of current missionary personnel. A significant number of Baptist college trained persons serve in strategic work with the Home Mission Board, Baptist state conventions, and associational missions throughout the Southern Baptist Convention. The Baptist Youth Corps provides excellent experience and training for church and missionary service. In the summer of 1975, approximately 100 students were assigned to the churches, with colleges furnishing one-half of the Youth Corps workers' salary.

The Cooperative Program is the largest single source of income for the colleges. In 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell, $416,066; Chowan, $263,333; Gardner-Webb, $329,166; Mars Hill, $360,766; Meredith, $360,776; Wake Forest, $639,900; and Wingate, $263,333.

The churches can help financially through the annual offering on Father's Day. This offering gives much needed assistance to many students from Baptist churches. The leaders in our churches can assist the colleges and young people by encouraging attendance at a Baptist college. No qualified student will be turned away for purely financial reasons.

Your Baptist colleges sincerely solicit the prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in the work committed to us.

Respectfully submitted,
Warren E. Kerr

CHRISTIAN LITERATURE REPORT

We are living in a century of education and ours is a literate generation. It has been stated that we become a part of that which we read. People are reading more than ever before. However, we as Christians are deeply concerned with what people are reading.

Southern Baptists have the greatest selection and the best literature of any denomination. We now are able to choose the approach we like best in Sunday School and Christian Training literature. Woman's Missionary Union and Brotherhood offer periodicals for leaders and members alike that rank second to none.

The Home and Foreign Mission Boards print an informative magazine on their respective work each month.

Baptist State papers are among the most important of all Christian literature. They have played a tremendous part in the growth of our denomination. Present circulation of state papers is 1 and 3/4 million. The goal of Southern Baptists is 2 million by 1980. The ideal would be to have the Baptist State paper in every home, with provisions made for it in the church budget. At present we have 33 state papers being published.

The Biblical Recorder is one of the oldest of these, and we believe one of the best. The circulation of this paper is 112,000. Already 1,000 churches in North Carolina have the paper in their budget. If your church is not doing this, see what you can do to initiate such action.

The Biblical Recorder has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

Respectfully submitted,
Mrs. Paul Kesler

FOREIGN MISSIONS REPORT

The sending out and maintaining of missionaries is primary in Southern Baptist Overseas Missions through the channel of the Foreign Mission Board. At the close of 1974 the Board had an overseas staff of 2,606. This included 12 reappointed, 26 Missionary Associates, 77 Mis-

sionary Journeymen, and 2 Special Project Medical Workers, for the first time going over 2,600.

Evangelism and Church development are central to the objectives of Missions, maturing disciples in the fellowship of local churches. Overseas churches are stimulated by the Foreign Mission Board and its missionaries, but are encouraged to work WITH the Southern Baptist Convention as they seek to extend the work on their own.

Strategy planning is called for as the Board moves into the process of developing plans for the remainder of the century. This is being done through radio and television, religious education promotion, lay leadership training, stewardship, camps and conferences, women's work, men's work, youth work, and music.

Evangelistic campaigns were conducted in many lands. Work in new dialects, organization of new English-language congregations, and church building programs in several countries were reported.

Baptists also sponsor theological schools and Bible Institutes to prepare men and women for church and denominational leadership. This is done through schools and student work, which includes all levels from kindergarten through university.

As the literacy rate rises and vigorous churches develop, so must the need for Christian literature. Missionaries are placed in strategic countries to carry out literature ministries.

Not least among Baptist ministries is their hospital and medical care. A new intensive care unit in Colombia, a surgical and intensive care unit in Korea, and extensive improvements and expansion of medical care in many countries has opened doors for people to hear the gospel that might never have heard the name of Jesus or known His saving grace.

Respectfully submitted,
Mrs. R. C. Foster

HOME MISSIONS REPORT

The Home Mission Board reaches out to share the love of God with every person within reach. The new efforts extended in 1974 encourage us.

The Department of Church Extension reported 38 new churches and 81 new missions begun in 1974. The Department also sponsored 50 seminary students to work in special projects in apartment complexes, blue-collar communities and resort areas. Pilot projects were begun in ways to minister to apartment dwellers, mobile home park residents and weekend outreach ministries for college students. Forty-three of the churches receiving financial support from the department in 1974 achieved self-support.

The Department of Language missions led in the establishment of 96 new language-culture congregations during the year. The Department participated in the support of 950 language missionary personnel serving among 30 ethnic groups. Sixty-five congregations receiving financial assistance developed plans to achieve self-support.

During 1974, there was a volunteer force of thirty thousand assisting home missionaries. Included were 138 Christian Service Corps workers (adults who serve with missionaries for periods ranging from two weeks to a year); over 7,500 lay evangelism shcool directors; 4,365 assisting in Christian social ministries; over 1,100 students in summer and semester missions, and thousands included in 190 Youth mission groups.

The Division of Church Loans in the past year increased its portfolio from $38,647,000 to $43,600,000, and increased its loans to churches by 10 per cent. The delinquency rate decreased by more than 25 per cent. With Convention approval, the division set up the Home Mission Board Securities Corporation for the purchase and sale of church bonds. The program provided counsel on church loans to 1,300 congregations during the year and approved 250 loan applications for a total of more than $12 million. During 1974, $4,500,000 was borrowed on lines of credit with lending institutions in order to extend loans to churches.

At year's end 2,171 persons worked under Home Mission Board appointment in all 50 states and Puerto Rico. It is important that we reflect on the influence for good provided by their dedicated work, and that we continue to remember them in prayer and with gifts.

Respectfully submitted,
Miss Doris Lopp

STATE MISSIONS REPORT

North Carolina is a mission field. Even as great as our compassion for world missions is, this compassion must also include the very real needs of our own counties and state. We MUST continue to build a strong state mission program embracing all of its fifty-one different ministries.

Our State Mission program can be viewed in two major categories: (1) strengthening ministries and (2) lengthening ministries.

Strengthening ministries help churches develop and strengthen their own mission outreach. Programs such as Sunday School, Woman's Missionary Union, Brotherhood, Church Training, and others are primarily interested in helping people. Christian people banded together doing God's will find learning and growing in workshops, conferences, and seminars that are conducted throughout the year.

The second type of State Missions are those ministries that lengthen the witness of the local church. These are cooperative efforts that will require the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions. Many of these ministries are co-sponsored by associations and the Southern Baptist Home Mission Board.

In the total sense, all State Missions is a combined, cooperative effort on the part of the local church and the association. The purpose is to build strong "mission stations" across the state as a foundation for the total support of world missions, Christian education, and benevolences.

The 1975 goal is $400,000. The special offering will be distributed as follows: $175,000 for general state missions ministries: $43,000 for the Administration Building at Fruitland Bible Institute; $26,000 for special state missions projects; and $25,000 for the classroom building at Fruitland. All money over the basic $260,000 amount (or $140,000, if the goal is reached) will go toward long-range planning developments at North Carolina Baptist Assembly (Caswell) at Southport.

State Missions in North Carolina is supported by the Cooperative Program and the State Mission Offering in September.

Mrs. Ralph L. Wilson
